

- Simulated full-duplex handset speakerphone

Enjoy a speakerphone that can keep up with your calls. Increase participation by allowing both ends to speak—and be heard—at the same time for conversations that are more true to life.

- • Extra large display for easy viewing

Easy-to-read LCD on the cordless handset. High-contrast black text on a white background provides for an easy-to-read screen to view incoming Caller ID or review call history. The lighted keypad also allows for easy dialing in low-light conditions.

- • Big buttons

Enlarged font and extra-large, backlit keys make the keypad easy to use. This feature is especially helpful for those who are visually impaired.

- • Digital answering system

Digitally record up to 14 minutes of incoming messages<sup>4</sup>, outgoing announcements and memos. Also allows for instant playback, selective save or delete, and skipping or repeating messages from the handset and base.

- • Caller ID/call waiting<sup>1</sup>—50 name and number caller ID history  
Handset displays the name, number, time and date of incoming calls.
