

Warranty

NoiseHush warrants all products against defects in workmanship and/or material under normal use for a period of ONE (1) YEAR from the date of purchase. The warranties extend only to the original purchaser and proof of purchase is required for warranty claim without exception.

Return & Replacement

For warranty claims, the user will need to send in the defective product(s) for testing and evaluation. Once a replacement has been approved, the user will be responsible for the cost of shipping the replacement.

Users outside of the United States should first attempt to exercise their product warranty through the original source of purchase. NoiseHush will still honor all warranties, but the user will be responsible for the shipping costs.

NoiseHush is not responsible for any loss or damage occurred during shipping.
