

Airocide Five-Year Limited Warranty

Akida Holdings LLC (hereinafter referred to as the “Company”) is pleased to offer the first End User Purchaser (“Consumer”) of an Airocide® Air Purification System a 60-month Limited Warranty, starting from the date of purchase and subject to the [Terms & Conditions](#).

Airocide draws in harmful airborne pathogens and forces them into a densely packed matrix of highly reactive catalysts that are activated by a high intensity 254-nanometer light. The reaction destroys these harmful pathogens on contact. Nothing is captured so there is nothing to clean. All that exits is crisp, clear air, with zero ozone emissions.
