Specifications Of The DR998

25 lbs. Height:17" Width: 13" Depth:12.5". Amps: 12.5. Watts: 1500. Electric Cord 72" long. Comes with two different sized bottle adapters. Ultrasonic Humidifier and heating modes can be operated separately.

Convenient & Safe Features

Ball bearing high pressure low noise blower only 39 dB. Uses your standard 110v 3 prong outlet. Easily rolls from room to room on 4 durable casters. Filter can be cleaned with warm water or a vacuum once removed from the back of the unit.

All In One Features

Built-in humidifier produces a cool mist to add much needed humidity to dry, winter air. Uses water bottle instead of water tank. Oscillation function distributes warmth throughout your entire area evenly and quickly. Can be operated as a fan with humidifier or without, good for summer time.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
