

ADS-1000W - ACTIVE CONTENT PAGE

Wireless Enabled Duplex Document Scanner Packs Business-focused Features, Including an Automatic Document Feeder and an Easy-to-use TouchPanel Display into a Compact, Desk-friendly Size.

The Brother™ ImageCenter™ ADS-1000W Desktop Scanner offers powerful features for business including two-sided scanning, wireless 802.11 b/g/n network connectivity, a TouchScreen display, and an up to 20-page capacity auto document feeder, all in a compact design. It captures single- and double-sided documents in a single pass at speeds of up to 16ppm¹. Great for scanning multi-page, two-sided business documents, as well as documents up to 34" long², receipts, business cards, photographs, and laminated identification cards via the rear card slot.

Automatic document feeder holds up to 20 sheets of paper

Advanced scanning functionality in a space-saving design.

The ADS-1000W connects to your wireless network, or to a single machine via USB interface, to scan at up to 1200x1200 dpi (interpolated) and 600x600 dpi resolution (optical). Its compact footprint, along with advanced scanning features such as deskew support, blank page removal, auto image rotation and background removal, make it great for a home office or small business that regularly scans and digitizes printed information, but may not have space for a larger scanner.

Compact scanner measures just 11.2" long x 4.1" deep with the document feeder closed

Scanning to a variety of local or shared destinations thanks to the easy-to-use TouchPanel display.

The ADS-1000W gives you the option to scan to a number of different destinations to help you manage your documents and workflow. You can also scan to your USB flash drive³, or to compatible mobile devices using the free Brother iPrint&Scan app⁴, or scan to a file, email, or image. You can also scan to a shared folder, email server, or FTP, to save, distribute, and share information.

Easily navigate menus, settings, and scanning destinations with the TouchPanel Display

Bundled with a robust suite of scanning software to enhance document management.

The ADS-1000W includes an enhanced package of scanning software to help you manage and distribute information and reduce the need to store and reference hard copy documents:

Nuance™ PaperPort™ 12 SE (Windows®) and Presto!® PageManager® 9 (Mac®)

- Manage all of your scanned documents, as well as the other documents on your computer
- Scan to Microsoft® Office® formats, as well as Microsoft® SharePoint (Windows® only)
- Scan, convert, organize, repurpose, and share PDF documents
- Quickly merge multiple files of differing formats from various folders into one multi-page PDF
- Scan to E-mail, Folder, OCR, and searchable PDF

Presto!® BizCard® (Windows®/Mac®)

- Scan and export contact information from business cards directly to Microsoft® Outlook® and other contact management systems
- Sort contacts by company group, category, and first or last name

Brother™ Control Center (Windows®/Mac®)

- Configure advanced scan settings for different scan-to destinations and store them for frequent use (ie: dpi resolution, file format, duplex scanning)

Includes BR-Receipts - Quicken® and Quickbooks® compatible receipt management software

The ADS-1000W includes BR-Receipts software that captures information from scanned receipts. BR-Receipts also lets you export your receipt data into Quicken® and Quickbooks® software to help simplify bookkeeping and reporting⁵.
