operating system and pre-installed apps. Actual usable storage space may differ from advertised storage.

·One Google account is only entitled to 100GB of Google Drive space free for 2 years on ASUS mobile devices. 100GB Google Drive upgrade may only be redeemed once in a single 12-month period on ASUS mobile devices.

Some storage capacity has been set aside for the operating system and pre-installed apps. Actual usable storage space may differ from advertised storage.

·Please visit www.asuswebstorage.com for more details. You will receive a membership expiry notification email when your ASUS WebStorage account is about to expire. Once your membership expires, you can only download files from your ASUS WebStorage account. You will not be able to edit existing files or upload new ones into your account.

In light of this, ASUS is providing ASUS WebStorage members a one-month grace period after their account expires. If you do not wish to renew your ASUS WebStorage membership, you have one month to download your files from your account after it expires. Your expired ASUS WebStorage account will be closed one month after your membership expires and your files will be deleted.<https://support.google.com/drive/answer/6202046?hl=en>

3: Battery life will vary according to use. Battery life measured by looping 720P video, brightness at 100nits, external microphone, WLAN/3G on and Gmail logged in for email and updates.

*4: For high speed charging using QuickCharge 3.0, the Pad must be charged with ZenFone 3 Series battery charger(optional).
