

# Dayton Audio Manufacturer Warranty

**WARRANTY:** All products are warranted free from defects in material and workmanship for 5 years from date of purchase (see exceptions below). Warranty does not apply to misuse, abuse, neglect, accident, improper use, etc. 1 year warranty applies to the following products: Powered subwoofers and electronic devices (e.g. subwoofer amplifiers, plate amplifiers, and test & measurement devices).

Unassembled Kits - A 45-day return policy applies to unassembled kits. Once assembly has been started or completed, kits are deemed used and are nonreturnable for refund/exchange. This does not limit the manufacturers' warranty policies on any kit component. The various parts of a kit may come from different manufacturers, and may have differing warranty periods and conditions. Please refer to the manufacturer's warranty for each component for warranty details.

To process a return or have your product replaced under Warranty conditions, please contact your place of purchase.

**CONTACT:**

Parts Express

Ph: 1-800-338-0531

**RETURN PROCESS:**

Call Parts Express to obtain an RA#. Pack merchandise carefully to avoid further damage and complete Return Form on the bottom of the invoice. Please record customer and RA numbers on the outside of the box. Ship merchandise back to Parts Express prepaid.
