

TO OUR VALUED CONSUMERS:

Please find lists of Ricoh/Pentax's [authorized](#) and [un-authorized](#) dealers. Purchases of Ricoh/Pentax products should be made from our authorized dealers as they receive product directly from us as well as training and other support so we can ensure the integrity of the product. We cannot ensure such an experience at the un-authorized dealers and, if the product is altered in any way, it will void the warranty. Products purchased from an un-authorized dealer will not qualify for warranty coverage.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific rights and you may have other legal rights which vary from state to state. This warranty policy does not affect the consumer's statutory rights.
