

Warranty

30 day satisfaction guarantee factory assembled Airbedz®, if the product fails in normal use (with no abuse and no customer changes or modifications to the Airbedz®) within the first 30 days of ownership, then we will repair or replace it (at our option) at no charge to you except for your cost of shipping it to us. Foreign orders must pay shipping, handling, and any import or export related expenses for both directions of the shipment. No refunds will ever be given after 30 days from the original order date.

AirBedz® Original Truck Bed Air Mattresses are warranted against defects in material and workmanship for a period of one year from the date of purchase. Home Camping products are warranted for 30 days after purchase. River Drifters and Splash Pong do not have a warranty. Problems covered by the warranty include failure of the pump, seams or the valve. Punctures or wear to the mattress due to use or abuse are not covered.

It is normal for an airbed that has been inflated for extended periods to require the addition of air after a few days. Air will be lost from the mattress through the material over time. Also, cooling of the air around the bed will cause the air inside the bed to contract, and the bed will be softer and may need refilling.
