What is the product warranty?

The EP-560 Ltd. and EP-960 Ltd. are covered by a comprehensive Full 5-year warranty. You can view the warranty terms [here](#). Aside from the warranty coverage period, the same terms apply to the Premium Extended Warranty Plan.

What is the Premium Extended Full Warranty?

The Premium Extended Full Warranty extends to the purchaser an additional 5 years of product warranty coverage beyond Teeter's standard Full 5-Year Warranty. The Premium Extended Full Warranty is available to add on to your order today, or may be purchased at any time within the standard warranty period, but coverage under the extended warranty will terminate 10 years from the original invoice date for the initial equipment purchase.
