

WARRANTY:

If after properly installing this unit it will not work, return it to the place of purchase. Please make sure you properly test the fixture with lamps that have been verified to work. The dealer will be able to further evaluate the status of the unit and may be able to identify and/or fix any problems. If not, the dealer will return the unit to us for repair. Proof of purchase is required for warranty work.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
