Warranty Returns Procedure: To return an item under warranty, please refer to the procedure below.

We are unable to accept returns without an RMA number. Returns without an Accell issued RMA number clearly printed on the outside of the package will be returned unopened.

All returns must be shipped prepaid at the expense of the shipper. For international shipments, all shipping charges, duties, taxes or other import charges must be prepaid at the expense of the shipper.

In order to confirm your product's delivery to Accell, it is highly recommended that the package is shipped using a traceable shipping method that allows for proof of delivery. Accell is not responsible for lost or misdirected shipments.

All returns must include a copy of the dated sales receipt.

- All RMA return items are to be within Accell's manufacturer warranty period.
- Accell RMA return is valid for the parts that have native manufacturer defect. This does not include products that are damaged or have a compatibility issues.
- All RMA return items will go to in-house testing to confirm if valid for an Accell manufacturer warranty for repair/replacement.
- If you are eligible based on the above guideline, please fill out RMA request form and then email it back with your purchase receipt to support@accellcables.com to obtain a RMA number.
- An RMA number will be generated based on your case statement and completed documents.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
