

## USA Pan Limited Lifetime Warranty

### **What This Warranty Covers**

Our limited lifetime warranty covers product defects relating to the materials, coating, and workmanship. Unfortunately, the warranty does not cover damage caused by misuse or wear from everyday use such as burns, scratches, dents, discoloration, staining, or dishwasher use. It does not cover damage or loss from fires, overheating, accidents, neglect, misuse, or theft.

### **How to Submit a Warranty Request**

You may submit warranty questions or requests by emailing [support@usapans.com](mailto:support@usapans.com). When a warranty request is made, clear photo evidence of the product regarding the issue at hand must be supplied. You must also include details of the product including product dimensions and name of the product.

If it is deemed that a warranty replacement is in order, you must also submit your customer ship to address, as well as any other information that is requested in the return email from our customer service department. At that time, instructions for how to return the defective product to USA Pan will be supplied and upon receipt of the product, we will issue a replacement for you.

If you would like to speak with a customer service representative, it is recommended that you provide your phone number as well as the best times to call you in an email to [support@usapans.com](mailto:support@usapans.com).

You may also write a letter to:
