

Warranty Registration

Home Master® RO Limited Warranty

For a period of five years from the date of original purchase, we will replace or repair any or part of the Home Master Reverse Osmosis System, which we find to be defective in operation due to faulty materials or workmanship. This warranty does not apply to consumable items such as filters or membrane. Authorization for replacement or repair must be obtained from Perfect Water Technologies.

Damage to any part of these products because of misuse; misapplication; negligence; alteration; accident; installation or operation contrary to our instructions, incompatibility with accessories not recommended by Perfect Water Technologies or authorized agents, or damage caused by freezing, flood, fire, terrorism, or Act of God, is not covered by this warranty. In all such cases, regular charges will apply. This limited warranty does not include service to diagnose a claimed malfunction in this unit. Liability is limited to repair, replacement or refund of the product. This warranty is void if the claimer is not the original purchaser of the unit or if the unit is not operated under normal municipal water or well water conditions, with potable water meeting the specified standard operating conditions and with all recommended filter changes and maintenance performed at recommended intervals.

We assume no warranty liability in connection with this product other than that specified herein. This warranty is in lieu of all other warranties, expressed or implied, including warranties of fitness for a particular purpose. We do not authorize any person or representative to assume for us any other obligations on the sale of Perfect Water Technologies reverse osmosis systems and water treatment products. This warranty becomes effective when the system is installed correctly and successfully.

THE FOLLOWING STANDARD OPERATING CONDITIONS FOR RESIDENTIAL REVERSE OSMOSIS SYSTEMS MUST BE MET FOR WARRANTY TO BE VALID: Source water: Potable municipal or well water. Water pressure, 40-100 psi; pH range, 4-11; Maximum Hardness, 10gpg; Maximum TDS 2000 ppm; Water temperature, 40-100° F.

Home Master® Whole House Filter Limited Warranty

For a period of two years from the date of original purchase, we will replace or repair all or part of the Home Master Whole House Filter, which we find to be defective in operation due to faulty materials or workmanship. This warranty does not apply to consumable items such as filters or membrane. Authorization for replacement or repair must be obtained from Perfect Water Technologies.

Damage to any part of these products because of misuse; misapplication; negligence; alteration; accident; installation or operation contrary to our instructions, incompatibility with accessories not recommended by Perfect Water Technologies or authorized agents, or damage caused by freezing, flood, fire, terrorism, or Act of God, is not covered by this warranty. In all such cases, regular charges will apply. This limited warranty does not include service to diagnose a claimed malfunction in this unit. Liability is limited to repair, replacement or refund of the product. This warranty is void if the claimer is not the original purchaser of the unit or if the unit is not

operated under normal municipal water or well water conditions, with potable water meeting the specified standard operating conditions and with all recommended filter changes and maintenance performed at recommended intervals.

We assume no warranty liability in connection with this product other than that specified herein. This warranty is in lieu of all other warranties, expressed or implied, including warranties of fitness for a particular purpose. We do not authorize any person or representative to assume for us any other obligations on the sale of Perfect Water Technologies reverse osmosis systems and water treatment products. This warranty becomes effective when the system is installed correctly and successfully.

THE FOLLOWING STANDARD OPERATING CONDITIONS MUST BE MET FOR WARRANTY TO BE VALID: Source water: Potable municipal or well water. Water pressure, 40-100 psi; pH range, 4-11; Maximum Hardness, 10gpg; Iron Bacteria: zero, Maximum TDS 2000 ppm; Water temperature, 40-100° F.

Home Master® Jr. Limited Warranty

For a period of three years from the date of original purchase, we will replace or repair all or part of the Tap Master™ Jr. Filter, which we find to be defective in operation due to faulty materials or workmanship. This warranty does not apply to consumable items such as filters or membrane. Authorization for replacement or repair must be obtained from Perfect Water Technologies. Damage to any part of these products because of misuse; misapplication; negligence; alteration; accident; installation or operation contrary to our instructions, incompatibility with accessories not recommended by Perfect Water Technologies or authorized agents, or damage caused by freezing, flood, fire, terrorism, or Act of God, is not covered by this warranty.
