

iRobot® Authorized Reseller

The below listed sellers are Authorized Resellers of iRobot® products and accessories on the Amazon Marketplace. Purchasing from an Authorized Reseller is the only way to ensure the products you're buying are worthy of your investment and supported by the official iRobot Manufacturer's Warranty.

Any reseller not listed below is an Unauthorized Reseller. Simply put, Unauthorized Resellers lead to unhappy customers. Should you purchase from an Unauthorized Reseller, your product will not be covered by the official iRobot Manufacturer's Warranty and will not be serviced by iRobot. Unauthorized reselling, marketing or auctioning using iRobot copyrighted items is illegal and can result in liability for damages and criminal penalties.
