

WARRANTIES

All of our products are manufactured under strict supervision and with international quality standards.

They are warranted against any manufacturing or workmanship defects.

To learn about the necessary procedures to claim our warranties, or for any other additional information please contact us.

informacion@truper.com

It is necessary to remember that the warranty is effective only when the product is defective due to a real manufacturing fault and not because of product mishandling or abuse. You also have to keep in mind that any of our power tools, pneumatic, lawnmowers, electric trimmers, chain saws, jacks, chain hoists and welders can be returned in any [Truper Authorized Service Center](#).

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
