

WHERE ARE TRAEGER GRILLS MADE?

Since late 2008, all of our residential grills have been manufactured in China. The larger commercial grills are still manufactured in the United States. Due to the overwhelming number of grills being purchased, our production was moved overseas to keep up with the increased demand. Our grills manufactured overseas are still processed with the same high standards as our grills manufactured stateside. All of our residential model grills come with a 3-year warranty, and our commercial grills carry a 1-year warranty.

WHAT IS THE WARRANTY ON MY TRAEGER GRILL?

Our residential grills have a 3-year warranty and our commercial grills have a 1-year warranty.
