

GWHD11

Wireless HDMI Transmitter and Receiver Kit

Send uncompressed Full HD 1080p with 3D support from your laptop, computer, game console and / or other HDMI devices

Perfect for home, office or school - send uncompressed Full HD 1080p with 3D support from your laptop, computer, game console and / or other HDMI devices.

Multiple Transmitters For Multiple Presenters

Up to three additional Wireless HDMI Transmitters can be paired to the Receiver, adding up to four total Wireless HDMI Transmitters per Receiver.

Wirelessly Extend or Mirror your Computer

Take advantage of your large screen HDTV and mirror or extend your computer's screen wirelessly. Browse the Internet, view streaming video sites and share photos and videos for easier viewing.

Plug-N-Play

How does it work?

- Connect the HDMI Transmitter to a laptop or media player HDMI port
- Connect the Receiver to your HDTV or HD projector with an HDMI cable
- Wirelessly play content on your HDTV

Requirements

- **Display:**
- HDTV or HD Projector
