

## Warranty

For U.S. and Canada customers only

The full and official warranty can be found in the mamaRoo user manual: [2014 and earlier models](#) or [2015 model](#).

Plainly put: the warranty is for one year (for 2012 and later models) or six months (for 2010 & 2011 models) from the date of purchase, covers repair or replacement, and is only valid in the country where the mamaRoo is purchased. Proof of purchase must be provided in order to establish the original purchase date and price.

Warranty applies to original purchaser only and is not transferrable. 4moms products purchased from online auctions or unauthorized retailers, such as eBay, are not covered by warranty.
