Córdoba will, at its sole discretion, repair the defect without charge or replace it with a model of similar specification and value that does not exceed the original purchase price of the instrument.

To obtain warranty assistance, the instrument must be taken to an authorized dealer with a copy of the sales receipt to obtain a Returns Authorization prior to return to the manufacturer. All shipping and insurance, including any perceived "collector" value, are the sole responsibility of the original purchaser.

Upon arrival at the Córdoba facility, a determination will be made whether the defect is covered under the terms of the warranty. If the repair is covered under the terms of the warranty, it will be repaired at no cost to the original purchaser including return shipping. If the repair is not covered under warranty, an estimate of the cost of the repair to the original purchaser will be given.
