

Cuckoo Global Service centers world wide for Cuckoo's domestic and international consumers.

Quality Assurance always comes first in Cuckoo Electronics. Therefore, warranty service with consumers satisfaction is one of the key emphasis division. To achieve the goal, Cuckoo Eletronics operates Cuckoo Global Service centers world wide for Cuckoo's domestic and international consumers.

Please read carefully our Customer warranty policies to be serviced without any misunderstands.

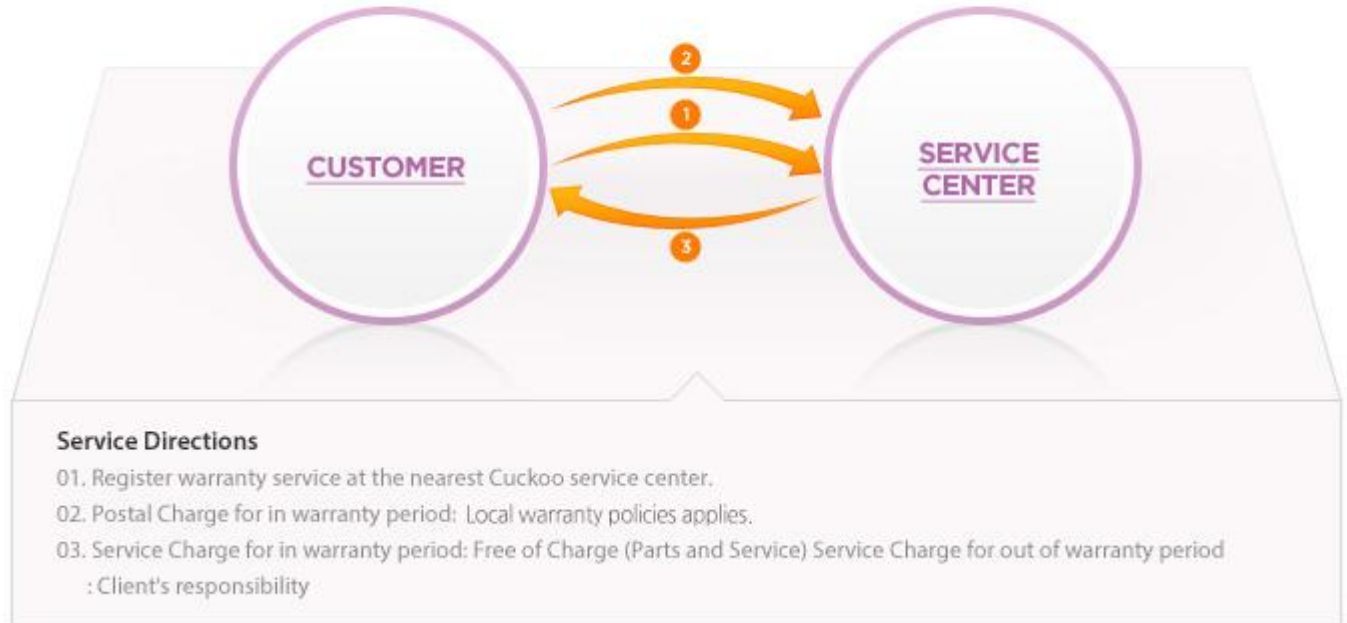

1. Products purchased within local retailers and/or formally exported products. (Eg. Duty Free Items)

Local warranty policies applies.

Free of charge within the warranty periods at local service centers follow by service provided at a cost.

Products purchased at local retailers are only warranted at authorised local Cuckoo Service Centers. (See the list in this site)

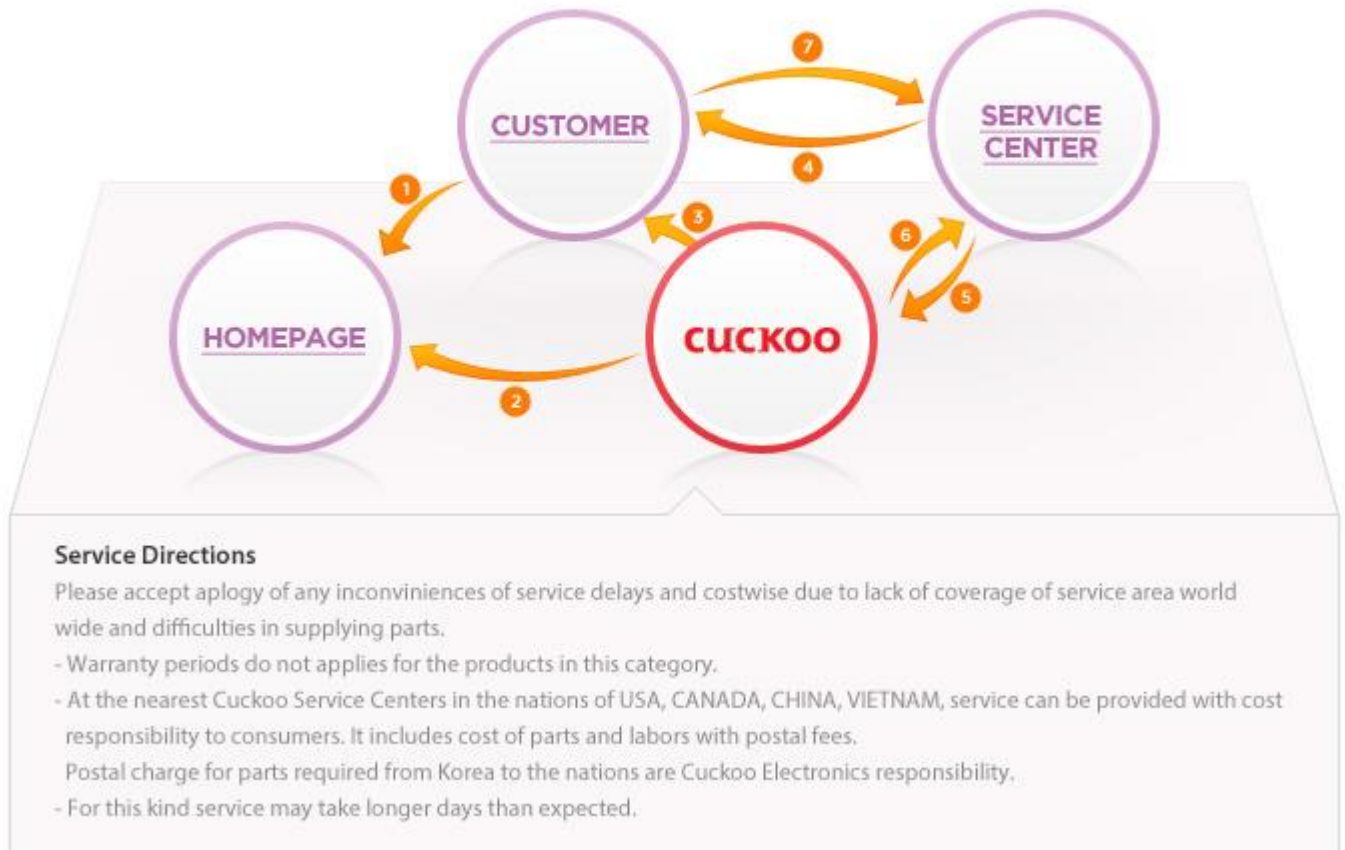

Charge may apply for performance and function failure due to consumer mishandling, accidents or otherwise.

2. Products purchased at Korean local retailers and brought to overseas.

Please refer to the following reasons of difficulties of warranty service at international Cuckoo Service Centers.

1. Electronic goods shall follow the local standards and regulation in regards to rated voltages and etc.
eg) Korea = KS standards, USA= UL/ETL standards, Europe = CE standards, China=CCC and etc.
2. Insurance not applies or activates for the products in this category.
3. Cuckoo Electronics develop and manufacture products to be exported within the local standards and regulation.
Different mechanical parts are applied for different rated voltages and standards.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
