SECTION 1: PRODUCT AND COMPANY INFORMATION

Manufacturer: Griot’s Garage Inc., 3333 South 38th St., Tacoma, WA - 800-345-5789 - www.griotsgarage.com
Product Family: Car Care
Trade Name(s): Fast Correcting Cream
Product ID: B110P
Recommended Uses: Moderate to severe defect removal from car paint.
Preparation Date: May 31, 2015

SECTION 2: HAZARD IDENTIFICATION

Signal Word: Warning
Pictogram: None
Physical Hazards: Not classified.
Health Hazard: Eye Damage / Irritation - Category 2B - Causes eye damage.
Environment: None
Precautionary Statements:
Prevention: Wash hands or other contact areas thoroughly after handling.
Response: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.
Storage: None
Disposal: None

SECTION 4: FIRST AID MEASURES

Skin Contact: First aid not normally required. Remove contaminated clothing. Wash area of contact with soap and water. Wash clothing before reuse. Get medical attention if irritation occurs and persists.
Eye Contact: Remove contact lenses. Flush with water until all traces of material are gone. Eyelids should be held away from the eyeball to ensure thorough rinsing. Get medical attention if irritation persists.
Inhalation: Remove affected person from source of exposure. Get medical attention if breathing difficulty or discomfort persists.
Ingestion: Do not induce vomiting because of danger of aspiration into lungs. If conscious, give a glass of water. Never give anything by mouth to an unconscious person. If spontaneous vomiting occurs, monitor for breathing difficulty. Get medical attention.

SECTION 5: FIREFIGHTING MEASURES

Basic Firefighting Procedures: Product does not burn. Use water spray, dry chemical, foam or CO₂ as applicable for burning materials. Use a water spray to cool fire-exposed containers, structures and to protect personnel. Exposed firefighters should wear MSHA/NIOSH approved self-contained breathing apparatus with full-face mask and full protective equipment. Flush spills away from sources of ignition.
Unusual Fire and Explosion Hazards: Not applicable.

SECTION 6: ACCIDENTAL RELEASE MEASURES

Refer to Section 8: Exposure Control and Personal Protection

Emergency Action: For large spills, isolate the release area and keep unnecessary people away. Exercise caution regarding personnel safety and exposure.
Spill/Leak Procedure: Floor and surfaces may be slippery. Dike with sand or other material. Flush area with water provided runoff does not enter drain or sewer; use absorbent material and dispose of properly.
Notification: Any spill or release to navigable water that causes a visible sheen upon the water must be reported immediately to the National Response Center (800/424-8802), as required by U.S. federal law.
SECTION 7: HANDLING AND STORAGE

Refer to Section 8: Exposure Control and Personal Protection

Handling
Wear proper protective equipment. Avoid contact with skin, eyes and clothing. Avoid breathing vapors or mists. Do not ingest. For intended use only. Use good hygiene practices when handling product, including changing and laundering work clothes after use. Get medical attention if you are exposed and feel unwell. The shipping and storage container is not designed to be pressurized. Do not use pressure to empty the container as it may rupture. Containers should be completely drained, properly closed, and promptly returned to a drum reconditioner or disposed of properly. Empty containers may contain residue or vapors. Do not cut, grind, drill, weld or reuse containers.

Storage
Do not store near incompatible chemicals. When possible, store in a dry place at moderate temperatures (above freezing) away from heat and flames. This material is to be handled and applied according to label directions. Keep this product and all chemicals away from children and pets. Keep containers closed when not in use. Keep from freezing. Do not eat, drink, or smoke while using this product.

SECTION 8: EXPOSURE CONTROL AND PERSONAL PROTECTION

Component: Information not available for this mixture.

Exposure Controls
None established for this mixture.

Engineering Controls
Use appropriate ventilation.

Eye and Face Protection
Wear safety glasses; use goggles or face shield if splashing is possible.

Skin Protection
Oil and chemical resistant gloves should be used to avoid repeated contact.

Respiratory Protection
Not normally needed. A NIOSH or MSHA approved respirator should be used in areas with high vapor concentrations or oil misting.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

General Information:
Physical State: Creamy Liquid
Form: Emulsion
Color: White
Odor: Mildly sweet

Important Health, Safety and Environment Info
Boiling Point/Range: N/A
Flash Point: > 180°F
Auto Ignition Temp: N/A
Lower Flammability Limit: N/A
Upper Flammability Limit: N/A
Vapor Pressure (psi @100°F): N/A
Vapor Density: NA
Freezing Point/Melting Point: N/A
Solubility (Water): Soluble
Specific Gravity: 1.06
Evaporation Rate: N/A
Viscosity: 15000 cps
pH: 8.6

Other Information:
Volatile: N/A

Note: Physical Data is typical values based on material tested, but may vary based on composition. Values should not be accepted as guaranteed for every lot or as specifications for this product.

SECTION 10: STABILITY AND REACTIVITY

Reactivity
Does not react under normal conditions of use.

Chemical Stability
Stable under normal conditions of use.

Stability/Incompatibility
Avoid contact with strong oxidizers.

Conditions to Avoid
None known.

Hazardous Reactions/Decomposition Products
Does not decompose under normal conditions. Thermal decomposition may produce SOx, CO, CO2, volatile hydrocarbons and other possibly toxic gases in fire.

Hazardous Polymerization
Will not occur
SECTION 11: TOXICOLOGICAL INFORMATION

Likely Routes of Exposure
Skin

Acute Effects
Minimally toxic. LD<sub>50</sub> and LC<sub>50</sub> not determined. Excessive contact, inhalation or ingestion may cause irritation or discomfort. Refer to Sections 2 and 4 for recommended actions.

Chronic Effects
Any acute symptoms may be aggravated. Refer to Sections 2 and 4 for recommended actions.

Symptoms
May include redness, drying, cracking of the skin, gastrointestinal and respiratory discomfort. Refer to Sections 2 and 4 for recommended actions.

Carcinogenicity
No components of this product are found to be carcinogens by NTP, IARC or OSHA.

SECTION 12: ECOLOGICAL INFORMATION

Ecotoxicity
Not available for this mixture.

Persistence and Biodegradability
Not Determined

Bioaccumulative Potential
Not available for this mixture

Mobility in Soil
Not Determined

SECTION 13: DISPOSAL CONSIDERATION

Dispose of this product in compliance with all applicable federal, state and local regulations.

SECTION 14: TRANSPORT INFORMATION

DOT
Not Regulated

UN Proper Shipping Name/Number
Not Regulated

SECTION 15: REGULATORY INFORMATION

SARA 302 Components
None

SARA 313 Components
None

SARA 311/312 Hazards
Acute Health Hazard

State Right to Know
None

California Prop. 65 Component
None

SECTION 16: OTHER INFORMATION

Disclaimer: The data presented here relates only to the specific material designated herein and does not relate to use in combination with any other materials or in any process. The information set forth above is based on technical data believed to be reliable. It is intended for use by persons having technical skill and at their own discretion and risk. Since conditions of use are outside our control, no warranties, expressed or implied are made, and no liability is assumed in connection with any use of this information. Judgments as to the suitability of this information for the user’s purposes are necessarily the user’s responsibility. Although reasonable care has been taken in the preparation of this information, no responsibility is assumed as to the accuracy or suitability of this information for its application to the users intended purpose or for consequences of its use.

Potential Health Effects: This product is a mixture for which no specific health hazard data exists. OSHA requires that one should assume such mixtures present the same health hazards as do any components present in amounts greater than 1% (0.1% for carcinogens). Consumers accessing our SDS information should keep in mind the information is presented in a format required by the U.S. Government’s Occupational Safety and Health Administration (OSHA). We provide SDS as a service for our business customers. These industrial SDSs are not applicable to consumer use of these products. We thoroughly evaluate the safety aspects of all of our consumer products prior to their use in the home.
