Belkin QODE Ultimate Wireless Keyboard and Case for iPad 2, 3rd Gen and 4th Gen with Retina Display

This article will guide you on how to set up and connect your Belkin QODE Ultimate Keyboard Case for the first time.

Setting up the Belkin QODE Ultimate Keyboard Case

Step 1:

Charge the Belkin QODE Ultimate Keyboard Case for approximately **2.5 hours** before first use. For instructions, click [here](#).

Step 2:

Insert the iPad and snap the clasps.

Your Belkin QODE Ultimate Keyboard Case is now set up.

Connecting the Belkin QODE Ultimate Keyboard Case

Step 1:

Adjust the iPad to your preferred viewing angle.

IMPORTANT: Make sure that the magnet at the bottom of the screen connects to the magnet on the base.

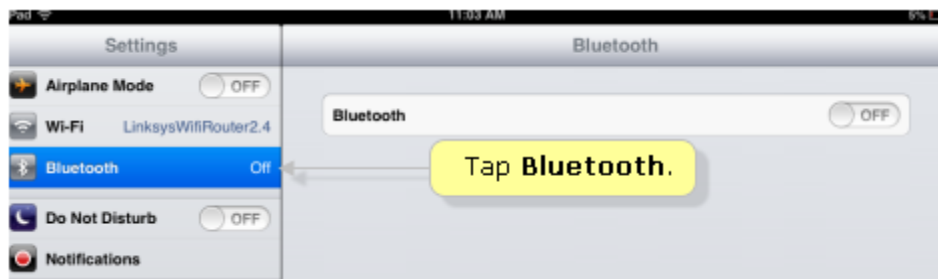

Step 2:

On the keyboard, hold down the **Fn** and **<...> Pair** buttons to connect to your iPad or from the **Home** screen, tap the **Settings** icon.

Step 3:

On the **Settings** menu, tap **Bluetooth**.

NOTE: On some iPad versions, from the **Settings** menu, tap **General** then tap **Bluetooth**.

Step 4:

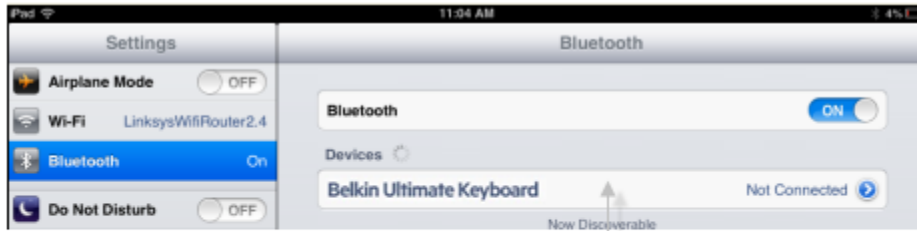

Tap the toggle switch to turn **ON** Bluetooth.

Step 5:

The keyboard will show up under **Devices** on the tablet. Select **Belkin Ultimate Keyboard** to connect.

NOTE: This process may take some time.

Select **Belkin Ultimate Keyboard**.

Now that you've successfully connected to your iPad, the keyboard will automatically turn **ON** when the case is set to the viewing position.

NOTE: If your iPad's Bluetooth is turned **ON**, the Belkin QODE Ultimate Keyboard Case will automatically turn **ON**. If you will use another iPad, you will have to connect to the Keyboard Case again.
