Tap Controls let you control the music directly from your UE BOOM 2.

To do a tap first pick up the UE BOOM 2 and hold it upright. Tap the top of the speaker one time to play music from your mobile device. Tap the top of the speaker again to pause the music. Tap the top of the speaker twice to skip a song.

You can turn tap control on or off from within the settings menu of your UE BOOM app.

Click here to watch tap control tutorial video.
BOOM 2 | POWER

When powered on, UE BOOM 2 automatically reconnects to the last mobile device it was connected to.

UE BOOM 2 will automatically turn itself off after 15 minutes of inactivity to save battery life.
Once UE BOOM 2 is on and connected to your mobile device, just hit play to begin streaming your music.

You can control the volume from your mobile device, or directly from your UE BOOM 2.
GETTING STARTED

Bluetooth

BOOM 2 | DOUBLE UP

Connect two UE BOOM 2s together for bigger sound.

Use the Double Up option on the home page of this app and follow the on-screen instruction.

You can also Double Up the UE BOOM 2 with a UE MEGABOOM, Shop Now or UE BOOM that has been updated with the latest firmware. Use the Double Up option on the home page of this app and follow the on-screen instructions.

Or to Double Up without the app, simultaneously press the Bluetooth and + buttons on the speaker that is playing music. Then press the Bluetooth button twice on the speaker that you want to add.
Double Up Lock:

Use Double Up Lock to have the speakers automatically Double Up the next time they are both powered on together.

To enable “automatic” Double Up, toggle the “Double Up Lock” setting to ON in the “Settings” section of this app.
