ASSEMBLY INSTRUCTIONS

GENERAL NOTE

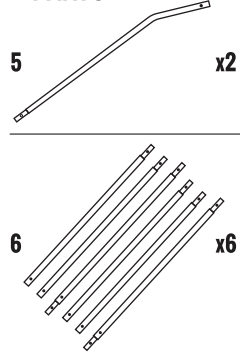

1. Find a large clean area to assemble your PICKLEBALL-X® OFFICIAL NET.
Note: Once finished this item will be about 22ft long.

2. Remove all the parts from the box and verify that you have all of the listed parts as shown on the parts list page.

STEP 1

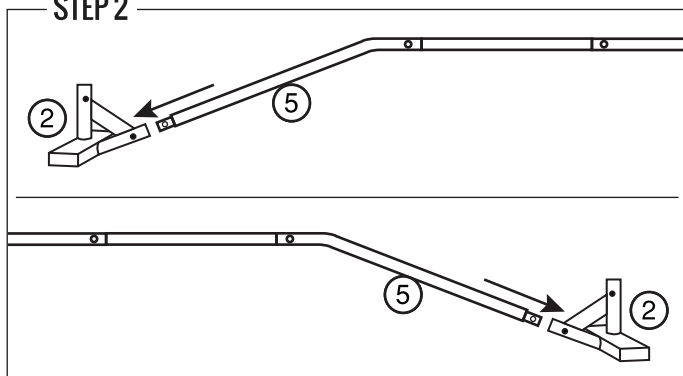

PARTS

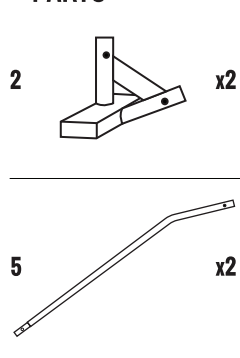

NOTE

Create two sections of frame tubing. Each will consist of **Part 5** (1 per) and **Part 6** (3 per).

STEP 2

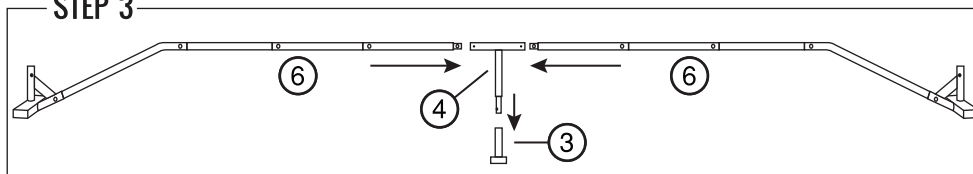

PARTS

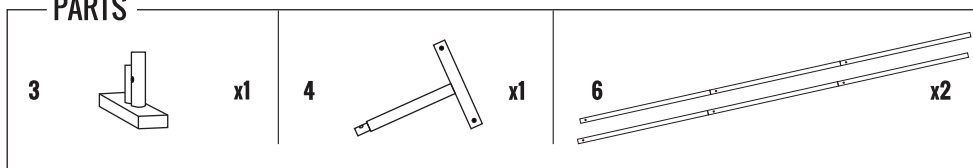

NOTE

Next take both **Part 2** ends and connect them to the ends of **Part 5**.

STEP 3

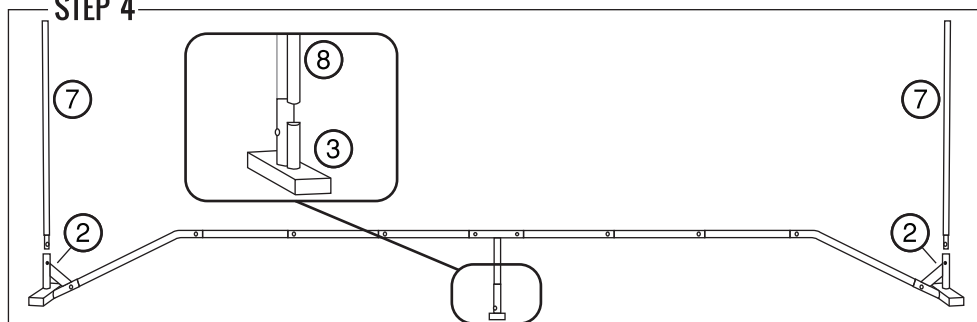

PARTS

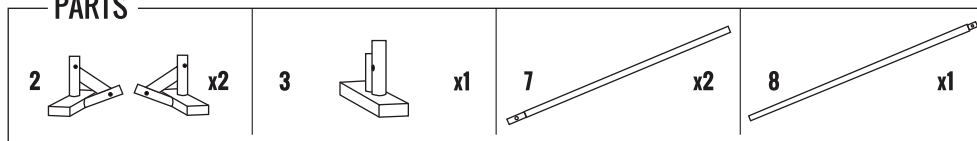

NOTE

Combine **Part 4** and **Part 3** together. To complete the base of the frame, secure each assembled section by connecting **Parts 6** into **Part 4**.

STEP 4

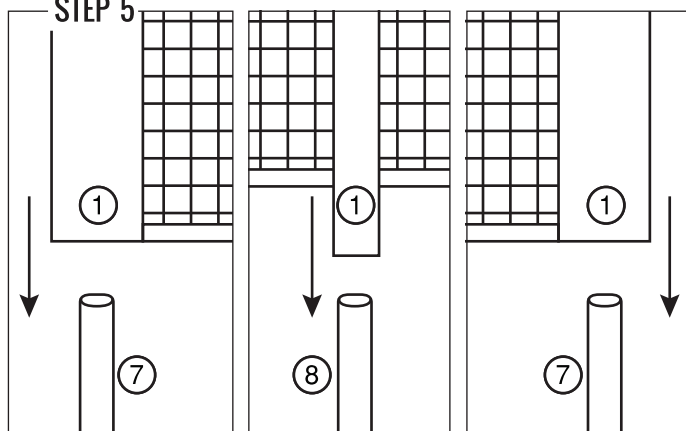

PARTS

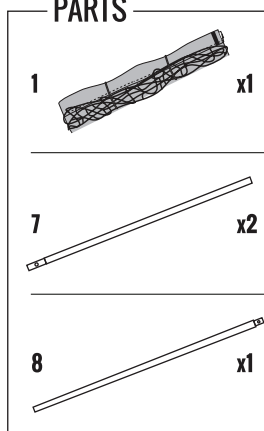

NOTE

Take each end pole of **Part 7** and slide them into the vertical tubing on each end of **Part 2**. The center net pole, **Part 8**, will be installed into **Part 3** by sliding into the vertical hole similar to part 2.

STEP 5

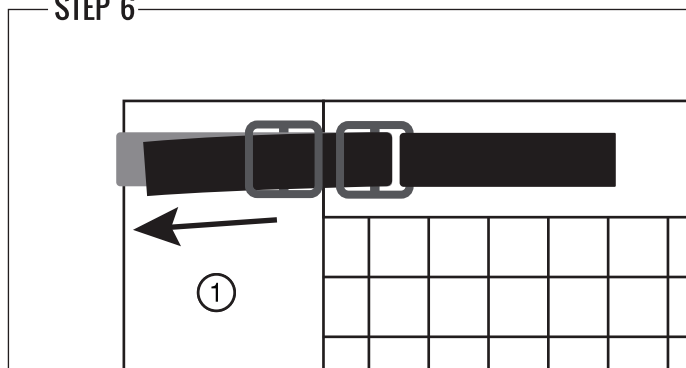

PARTS

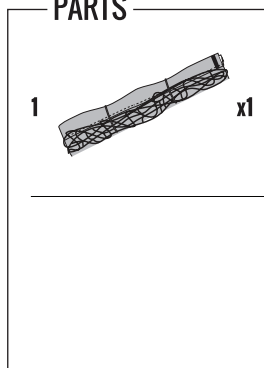

NOTE

Find the opening in the corner on one end of **Part 1**. Utilize this opening by sliding **Part 1** over **Part 7**. Next, move down the net and find the next opening. This will slide over **Part 8** in a similar fashion. Once done, move to the final edge of the net and slide it over the second **Part 7**.

STEP 6

PARTS

NOTE

Finally, adjust the tension of the net by utilizing the adjustable straps on each end.

YOU ARE NOW READY TO PLAY!
