

EMISSIONS CONTROL WARRANTY

FEDERAL AND CALIFORNIA EMISSIONS CONTROL WARRANTY SYSTEM

YOUR WARRANTY RIGHTS AND OBLIGATIONS

Westpro Power Systems, LLC is the U.S. Environmental Protection Agency (EPA) and those products certified for use in the state of California. The California Resources Board (ARB) has explained the Emission Control System (ECS) warranty on your 2014 small off-road spark ignited engine and equipment. The equipment, including a, new outdoor equipment must be built and equipped to meet the state's anti-smog standards in other states, floor equipment designed to meet and equipment to meet the U.S. EPA small offroad, spark ignition engine regulations). Westpro Power Systems, LLC must warrant the ECS on your outdoor equipment of the period of time listed below provided there has been no abuse, neglect or improper maintenance of outdoor equipment.

Your ECS may include parts such as the carburetor, fuel-injection system, the ignition system, catalytic converter, fuel tanks, fuel lines, fuel caps, valves, canisters, filters, vapor hoses, clamps, connectors, and other associated emission-related components.

Where a warrantable condition exists, Westpro Power Systems, LLC will repair your outdoor equipment engine at no cost to you including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE:

This emission control system is warranted for two years. If any emission-related part on your outdoor equipment is defective, the part will be repaired or replaced by Westpro Power Systems, LLC.

OWNER'S WARRANTY RESPONSIBILITIES:

As the outdoor equipment owner, you are responsible for performance of the required maintenance listed in your owner's manual. Westpro Power Systems, LLC recommends that you retain all receipts covering maintenance on your outdoor equipment, but Westpro Power Systems, LLC cannot deny warranty solely for the lack of receipts or your failure to ensure the performance of all scheduled maintenance.

As the outdoor equipment owner, you should however be aware that Westpro Power Systems, LLC may deny you warranty coverage if your outdoor equipment or a part has failed due to abuse, neglect, or improper maintenance or unapproved modifications.

You are responsible for presenting your outdoor equipment to a Westpro Power Systems, LLC's Authorized Warranty Service Dealer as soon as the problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

If you have any questions regarding your warranty rights and responsibilities, you should contact a Westpro Power Systems, LLC Service Representative at 1-855-WHHELP1 (1-855-944-3571) or contact Westpro Power Systems, LLC at the following address: W237 N2889 Woodgate Road, Unit B, Pewaukee, WI 53072 or www.westpropower.com.

EMISSIONS CONTROL WARRANTY

DEFECTS WARRANTY REQUIREMENTS

Westpro Power Systems warrants its products to be free from defects in material and workmanship under normal use and operation. The equipment is designed, built and equipped to comply with applicable regulations; and is free from defects in material and workmanship that cause the failure of a warranted part, a component or material respects to the application for which it is intended.

The warranty period begins on the date the door is delivered to the state in which it was first placed into service.

Subject to the conditions and provisions stated below, the warranty covers non-related parts:

1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions supplied is warranted for the warranty period stated above. If the part fails during the period of warranty coverage, the part will be repaired or replaced by Westpro Power Systems, LLC according to subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period.
2. Any warranted part that is scheduled only for regular inspection in the written instructions supplied is warranted for the warranty period stated above. Any such part repaired or replaced under warranty will be warranted for the remaining warranty period.
3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions supplied is warranted for the period of time before the first scheduled replacement date for that part. If the part fails before the first scheduled replacement, the part will be repaired or replaced by Westpro Power Systems, LLC according to subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
4. Repair or replacement of any warranted part under the warranty provisions herein must be performed at a warranty station at no charge to the owner.
5. Notwithstanding the provisions herein, warranty services or repairs will be provided at all of our distribution centers that are franchised to service the subject engines or equipment.
6. The outdoor equipment owner will not be charged for diagnostic labor that is directly associated with diagnosis of a defective, emission-related warranted part, provided that such diagnostic work is performed at a warranty station.
7. Westpro Power Systems, LLC is liable for damages to other engine or equipment components proximately caused by a failure under warranty of any warranted part.
8. Throughout the outdoor engine and equipment warranty period stated above, Westpro Power Systems, LLC will maintain a supply of warranted parts sufficient to meet the expected demand for such parts.
9. Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of Westpro Power Systems, LLC.
10. Add-on or modified parts that are not exempted by the Air Resources Board may not be used. The use of any non-exempted add-on or modified parts by the ultimate purchaser will be grounds for disallowing a warranty claim. Westpro Power Systems, LLC will not be liable to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

EMISSIONS CONTROL WARRANTY

WARRANTED PARTS:

The repair or replacement of any warranted part otherwise eligible for warranty coverage may be excluded from such warranty coverage if Westpro Power Systems, LLC demonstrates that the outdoor equipment has been abused, neglected, or improperly maintained, and that such abuse, neglect, or improper maintenance was the direct cause of the need for repair or replacement of the part. That notwithstanding, any adjustment of a component that has a factory installed, and properly operating, adjustment limiting device is still eligible for warranty coverage. Further, the coverage under this warranty extends only to parts that were present on the outdoor equipment purchased.

The following emission warranty parts are covered (if applicable):

(1) Fuel Metering System

WESTPRO POWER SYSTEMS “TWO YEAR” LIMITED WARRANTY

WESTPRO'S RESPONSIBILITY

Westpro Power Systems, LLC (“WESTPRO”) warrants to the original purchaser that its Westinghouse line of inverters will be free from defects in material and workmanship. Under normal use and maintenance from the date of purchase, WESTPRO agrees to repair or replace at WESTPRO's discretion, any defective product free of charge at any authorized WESTPRO Authorized Service Dealer within the below listed applications, time periods, limitations, and exclusions. THIS LIMITED WARRANTY IS EXTENDED TO THE ORIGINAL PURCHASER ONLY AND IS NOT TRANSFERABLE TO SUBSEQUENT OWNERS EXCEPT FOR EMISSION RELATED PARTS. This warranty is separate from the Emission Control Warranty Statement supplied with your new product. Please consult the Emission Control Warranty Statement for details regarding emission related parts. For a list of WESTPRO Authorized Service Dealers refer to www.westpropower.com or call 1-855-944-3571.

OWNER'S RESPONSIBILITY

To ensure trouble free warranty coverage it is important that you register your WESTPRO Westinghouse inverter. You may register on-line at www.westpropower.com, by automated phone at 1-855-944-3571, or by filling out and returning to WESTPRO the warranty registration card supplied with your inverter. Registering your product confirms your warranty coverage and provides a direct link between you and WESTPRO if we find it necessary to contact you.

Your receipt for purchase including date, model and serial number must be maintained and presented to a WESTPRO Authorized Service Dealer for warranty service. Proof of purchase rests solely with you, the original purchaser.

You must demonstrate reasonable care and use, and follow preventive maintenance, storage, fuel and oil usage as prescribed in the operator's manual for your WESTPRO Westinghouse unit. Should a product difficulty occur, you must, at your expense, deliver or ship your WESTPRO Westinghouse unit to a WESTPRO Authorized Service Dealer for warranty repairs (which must occur within the applicable warranty period), and arrange for pick-up or return of your unit after the repairs have been made. For the WESTPRO Authorized Service Dealer nearest to you, call WESTPRO's automated phone at 1-855-944-3571 or you may locate a WESTPRO Authorized Service Dealer at www.westpropower.com. Should you require assistance or have questions concerning WESTPRO's Warranty Statement, you can contact us through the web at www.westpropower.com or call 1-855-944-3571.

PRODUCT WARRANTY APPLICATIONS AND PRODUCT WARRANTY PERIODS

CONSUMER APPLICATION

For the purpose of this limited warranty “Consumer Application” means usage by the original purchaser for the purpose of personal residential household or recreational use.

Parts and labor will be covered at 100% for a period of one (1) year from the date of purchase.

Parts only will be covered at 100% for a period of two (2) years from the date of purchase.

If proof of purchase is not available to establish the purchase date nor is the equipment registered as suggested herein, the date of manufacturing as recorded by WESTPRO will start the product warranty period.

COMMERCIAL APPLICATION

For the purpose of this limited warranty “Commercial Application” means usage by the original purchaser for the purpose of income producing, business related use. Once an inverter has been used for income producing and business related purposes, it shall thereafter be considered a “Commercial Application” and the following warranty will apply.

Parts and labor will be covered at 100% for a period of 120 days from the date of purchase.

If proof of purchase is not available to establish the purchase date nor is the equipment registered as suggested herein, the date of manufacturing as recorded by WESTPRO will start the product warranty period.

WARRANTY

NON-WARRANTABLE APPLICATIONS

THE WESTPRO WESTINGHOUSE LINE OF INVERTERS IS EXPRESSLY NOT RECOMMENDED FOR NOR WARRANTED FOR THE FOLLOWING APPLICATIONS:

Medical and Life Support Uses – This product is not recommended for and is NOT warranted for the use to power Medical and Life Support equipment or devices.

Prime Power – This warranty does not apply to inverters used for Prime Power (primary source of power) in place of utility power where utility power service is present or where utility power service does not normally exist, regardless of whether a Consumer Application or Commercial Application is involved.

EXCLUSIONS

- WESTPRO portable inverters that utilize non-WESTPRO replacement parts.
- Costs of normal maintenance and adjustments.
- Failures caused by any contaminated fuels, oils, or lack of proper oil levels.
- Repairs or diagnostics performed by individuals other than WESTPRO authorized dealers not authorized in writing by WESTPRO.
- Failures due to normal wear and tear, accident, misuse, abuse, negligence or improper use. As with all mechanical devices, the WESTPRO engines need periodic part(s) service and replacement to perform as designed. This warranty will not cover repair when normal use has exhausted the life of a part(s) or engine.
- Failures caused by any external cause or act of God, including but not limited to, collision, theft, vandalism, riot, war, fire, freezing, lightning, earth-quake, windstorm, hail, water, flood, tornado, or hurricane.
- Damage related to rodent and/or insect infestation.
- Products that are modified or altered in a manner not authorized in writing by WESTPRO.
- Any incidental, consequential or indirect damages caused by defects in materials or workmanship, or any delay in repair or replacement of the defective part(s).
- Failure due to misapplication.
- Telephone, cellular phone, facsimile, internet access, or other communication expenses.
- Expenses related to “customer instruction” or troubleshooting where no manufacturing defect is found.
- Overnight freight or special shipping costs for replacement part(s).
- Overtime, holiday or emergency labor.
- Starting batteries, fuses, light bulbs and engine fluids.

DISCLAIMER OF IMPLIED WARRANTIES

This limited warranty is in lieu of all other expressed or implied warranties, including any warranty of FITNESS FOR A PARTICULAR PURPOSE OR USE and any implied warranty of MERCHANTABILITY otherwise applicable to WESTPRO's Westinghouse line of inverters. WESTPRO and its affiliated companies shall not be liable for any special, incidental or consequential damage, including lost profits. There are no warranties extended other than as provided herein. This limited warranty may be modified only by WESTPRO. Any implied warranties allowed by law shall be limited in duration to the terms of the express warranty provided herein. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights. You also have other rights from state to state. WESTPRO'S ONLY LIABILITY SHALL BE THE REPAIR OR REPLACEMENT AS STATED ABOVE. IN NO EVENT SHALL WESTPRO BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, EVEN IF SUCH DAMAGES ARE A DIRECT RESULT OF WESTPRO'S NEGLIGENCE. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights and you may also have other rights from state to state.

This limited warranty is given by Westpro Power Systems, LLC, W237 N2889 Woodgate Rd. Unit B, Pewaukee, WI 53072.

EMISSIONS CONTROL WARRANTY

FEDERAL AND/OR CALIFORNIA EMISSION CONTROL WARRANTY STATEMENT

YOUR WARRANTY RIGHTS AND OBLIGATIONS

Westpro Power Systems, LLC, the United States Environmental Protection Agency (EPA), and, for those products certified for sale in the state of California, the California Air Resources Board (CARB) are pleased to explain the emission (evaporative and/or exhaust) control system (ECS) warranty on your outdoor 2013 and later small off-road spark-ignited engine and equipment (outdoor equipment engine). In California, new outdoor equipment engines must be designed, built and equipped to meet the state's stringent anti-smog standards (in other states, 1997 and later model year equipment must be designed, built, and equipped to meet the U.S. EPA small off-road, spark ignition engine regulations). Westpro Power Systems, LLC must warrant the ECS on your outdoor equipment engine for the period of time listed below provided there has been no abuse, neglect or improper maintenance of your outdoor equipment engine.

Your ECS may include parts such as the carburetor, fuel-injection system, the ignition system, catalytic converter, fuel tanks, fuel lines, fuel caps, valves, canisters, filters, vapor hoses, clamps, connectors, and other associated emission-related components.

Where a warrantable condition exists, Westpro Power Systems, LLC will repair your outdoor equipment engine at no cost to you including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE:

This emission control system is warranted for two years. If any emission-related part on your outdoor equipment engine is defective, the part will be repaired or replaced by a **Westpro Power Systems, LLC Authorized Warranty Service Dealer**.

OWNER'S WARRANTY RESPONSIBILITIES:

As the outdoor equipment engine owner, you are responsible for performance of the required maintenance listed in your owner's manual. Westpro Power Systems, LLC recommends that you retain all receipts covering maintenance on your outdoor equipment engine, but Westpro Power Systems, LLC cannot deny warranty solely for the lack of receipts or your failure to ensure the performance of all scheduled maintenance.

As the outdoor equipment engine owner, you should however be aware that Westpro Power Systems, LLC may deny you warranty coverage if your outdoor equipment engine or a part has failed due to abuse, neglect, or improper maintenance or unapproved modifications.

You are responsible for presenting your outdoor equipment engine to a Westpro Power Systems, LLC's Authorized Warranty Service Dealer as soon as the problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

If you have any questions regarding your warranty rights and responsibilities, you should contact a Westpro Power Systems, LLC Service Representative at 1-855-WHHELP1 (1-855-944-3571) or contact Westpro Power Systems, LLC at the following address: W237 N2889 Woodgate Road, Unit B, Pewaukee, WI 53072.

DEFECTS WARRANTY REQUIREMENTS

Westpro Power Systems, LLC warrants to the original, end-use purchaser/owner and each subsequent purchaser that the outdoor equipment engine is:

1. Designed, built and equipped so as to conform with all applicable regulations
2. Free from defects in materials and workmanship that can cause the failure of a warranted part at any time during the ECS Warranty period.
3. Warranted parts are identical in all material respects to that part as described in Zhejiang Everlast Power Co., Ltd.'s application for certification.

The warranty period begins on the date the outdoor equipment engine is delivered to the original, end-use purchaser/owner or first placed into service. The warranty period is two years.

EMISSIONS CONTROL WARRANTY

Subject to certain conditions and exclusions as stated below, the warranty on emission-related parts is as follows:

1. Any warranted part that is not scheduled for replacement as required maintenance in the written instructions supplied, is warranted for the warranty period stated above. If the part fails during the period of warranty coverage, the part will be repaired or replaced by Westpro Power Systems, LLC according to subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period.
2. Any warranted part that is scheduled only for regular inspection in the written instructions supplied is warranted for the warranty period stated above. Any such part repaired or replaced under warranty will be warranted for the remaining warranty period.
3. Any warranted part that is scheduled for replacement as required maintenance in the written instructions supplied is warranted for the period of time before the first scheduled replacement date for that part. If the part fails before the first scheduled replacement, the part will be repaired or replaced by Westpro Power Systems, LLC according to subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
4. Repair or replacement of any warranted part under the warranty provisions herein must be performed by a Westpro Power Systems, LLC Authorized Warranty Service Dealer at no charge to the owner.
5. The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a Westpro Power Systems, LLC Authorized Warranty Service Dealer.
6. Westpro Power Systems, LLC is liable for damages to other engine or equipment components proximately caused by a failure under warranty of any warranted part. Throughout the off-road engine and equipment warranty period stated above, Westpro Power Systems, LLC will maintain a supply of warranted parts sufficient to meet the expected demand for such parts.
7. Any authorized Westpro Power Systems, LLC replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of Westpro Power Systems, LLC.
8. Add-on or modified parts that are not exempted by the EPA or CARB may not be used. The use of any non-exempted add-on or modified parts by the original, end use purchaser/owner and each subsequent purchaser/owner will be grounds for disallowing warranty claims. Westpro Power Systems, LLC will not be liable to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.
9. The manufacturer issuing the warranty shall provide any documents that describe that manufacturer's warranty procedures or policies within five working days of request by the CARB.

WARRANTED PARTS:

The repair or replacement of any warranted part otherwise eligible for warranty coverage may be excluded from such warranty coverage if Westpro Power Systems, LLC demonstrates that the outdoor equipment engine has been abused, neglected, or improperly maintained, and that such abuse, neglect, or improper maintenance was the direct cause of the need for repair or replacement of the part. That notwithstanding, any adjustment of a component that has a factory installed, and properly operating, adjustment limiting device is still eligible for warranty coverage. Further, the coverage under this warranty extends only to parts that were present on the off-road engine and equipment purchased.

The following emission warranty parts are covered (if applicable):

1. Fuel Metering System
 - Cold start enrichment system (soft choke)
 - Carburetor and internal parts (or fuel injection system)
 - Fuel pump
 - Fuel tank
2. Air Induction System
 - Air cleaner
 - Intake manifold

EMISSIONS CONTROL WARRANTY

3. Ignition System
 - Spark plug(s)
 - Magneto ignition system
4. Exhaust System
 - Catalytic converter
 - SAI (Reed valve)
5. Miscellaneous Items Used in Above System
 - Vacuum, temperature, position, time sensitive valves and switches
 - Connectors and assemblies
6. Evaporative Control
