ANDROID™ DEVICES

Your ZIPP MINI is a network speaker.
It can stream Internet radio directly or play music
through Spotify Connect when connected to WiFi.

Download the Libratone App to set up your speaker.

ZIPP MINI is DLNA-certified and connects seamlessly
to all other DLNA-compliant devices.

Please refer to your music app for instructions or visit

www.libratone.com/android

You can also pair an Android device to your
ZIPP MINI through Bluetooth.
