Seaside Stacking Rings

Toys float and are detachable - mix and match or add your baby's favorite water-safe toy.

TO INFLATE

1. Remove valve caps.
2. Inflate 2 chambers.
3. Replace cap and press cap and valve stem down into float.

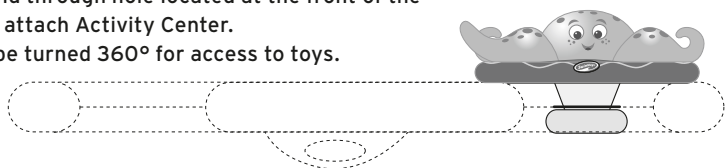

TO DEFLATE AND STORE

1. Remove valve cap and pinch the bottom of valve to release air. Deflate float before folding.
2. Hold float as shown, palms facing out. Bring your hands together in front of you.
3. Overlap your hands and float will automatically close into 3 small circles.

ACTIVITY CENTER

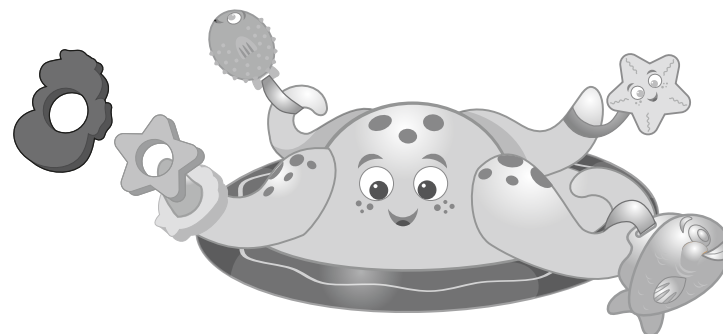

1. Inflate 2 chambers.
2. Replace cap and press cap and valve stem down into Activity Center.
3. Pull small inflation end through hole located at the front of the Baby Spring Float to attach Activity Center.
4. Activity Center can be turned 360° for access to toys.

- Two-position canopy shades baby - mesh side panels ensure visibility. Your Baby Spring Float™ Sun Canopy features a simple snap design that allows you to easily position the canopy.

Product Care:

- Clean toys before use with mild soap and a damp cloth or rinse with fresh water; air dry.
- Toys are not dishwasher safe.
- Do not place teether in the freezer! Freezing the teether can cause the edges to become hard and sharp.

⚠ WARNING: This is not a lifesaving device. Do not leave child unattended while product is in use. Always stay in the pool within arm's reach of the child.

⚠ WARNING: TIP OVER- Child may crawl out of seat and fall in the water. Always stay in the pool within arm's reach of the child. Open item slowly to avoid sudden movement. If fabric is torn or seams open on Activity Center, discard item. Do not add additional strings or straps to toys to prevent entanglement and strangulation injuries.
