

Introducing Rocks.

SLOW-SIPPING REFRESHMENT

Enjoy your favorite three-finger pour in the new Hydro Flask Rocks. The 10 oz Rocks features **TempShield™ Insulation** to keep your drink chilled for hours and the **insulated lid** helps to prevent spills. The **beveled bottom** provides the perfect resting shelf for your pinky finger and at a mere 7 ounces in weight, the Rocks can go from backyard to backcountry at ease.

Insulated press-in lid so you can take your beverage anywhere.

Honeycomb Insulation™ inside lid for additional temperature control.

Beveled bottom provides the perfect shelf for your pinky finger.
