Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Thank you again for your purchase. We appreciate the opportunity to serve our customers.

GROUND INSTRUCTIONS, SERVICING OF DOUBLE-INSULATED APPLIANCES

In a double-insulated appliance, two systems of insulation are provided instead of grounding. No grounding means is provided on a double-insulated appliance, nor should a means for grounding be added to the appliance. Servicing a double-insulated appliance required extreme care and knowledge of the system and should be done only by a qualified service personnel. Replacement parts for a double-insulated appliance must be identical to the parts they replace. A double-insulated appliance is marked with the words "DOUBLE INSULATION or DOUBLE INSULATED." The symbol within a square may also be marked on the appliance.
