

A product is considered regulated if any of its components are classified as dangerous goods or substances or are otherwise regulated by one of the official organizations of transport (DOT, IATA, IMDG, ADR) or of product handling and storage (CLP, GHS).

For more information on dangerous goods, please visit the following help pages:

<https://sellercentral.amazon.com/gp/help/200525640>

<http://www.reach-compliance.ch/ghsclp/ghspictograms/index.html>

**Important note:** This exemption sheet will be accepted only for **hazardous cosmetic products (table 1&2 to be filled) and products not regulated as dangerous goods (table 1&3 to be filled)**. If your product does not belong to one of the 2 mentioned categories, **this exemption sheet will be rejected and a SDS required**. Also, in the case of **erroneous or incomplete information** provided through this exemption sheet, **Amazon reserves its right to take the corresponding actions without prior notice**.

## **Cosmetic products**

Finished cosmetic products are exempted from the legislation requiring the provision of a 16 point Safety Data Sheet (SDS) [OSHA 29 CFR 1910.1200(b)(6)(vii)]. However, there are legal requirements under other legislations such as Health and Safety, Storage and Control of Substances Hazardous to Health and Transport of dangerous goods. Therefore any relevant information about the product that is necessary to enable appropriate risk management measures should be provided.
