

**⚠ WARNING**

**AVOID EYE INJURY-** Do not shine the flashlight beam directly into anyone's face or stare directly into the beam. If this product is used improperly it could cause retina damage. This product is also not recommended for use by anyone under the age of 14. Any kind of battery can release damaging chemicals, which can harm skin, clothing or the inner workings of the flashlight. **TO AVOID RISK OF INJURY DO NOT EXPOSE BATTERIES TO EXTREME HEAT.**

**⚠ WARNING**

Batteries must be installed correctly. Not doing so could cause permanent damage to the LED. Always follow the battery manufacturer's instructions for the correct storage, handling and disposal of the batteries.

**⚠ WARNING**

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon zinc) or rechargeable (nickel-cadmium) batteries.

**⚠ WARNING**

**HARMFUL IF SWALLOWED.**  
**KEEP BATTERIES AWAY FROM CHILDREN.**

**PRODUCT COMPONENTS**

**Figure 1**

- A. Front Assembly
- B. O-Ring
- C. AAA Battery Cradle
- D. End-Cap / Switch Assembly

**BATTERY INSTALLATION**

**AAA Battery Cradle Installation**

1. Unscrew the End-Cap and remove the AAA Battery Cradle.
2. Insert 3 AAA batteries (not included) as shown in Figure 2. On the end of the AAA Battery Cradle there are markings indicating positive (+) and negative (-). Insert the batteries into the cradle according to those markings.
3. Insert the AAA battery cradle back into the Front Assembly positive (+) end first (Figure 1).

**Figure 2**

**Lithium-Ion Battery Installation**

**LITHIUM-ION BATTERY** **Figure 3**

1. Insert one lithium-ion 18650 battery (not included) positive (+) end first into the Front Assembly (Figure 3).

Visit [www.AtomicBeamDoublePower.com](http://www.AtomicBeamDoublePower.com) to purchase your official Atomic Beam lithium-ion 18650 battery and wall charger.

**OPERATION**

1. There are 5 different lighting modes. To turn the flashlight on, press firmly down on the button located on the back of the End Cap until you hear a "click" (Figure 4).
2. To switch through the different lighting modes, gently press down on the same button.

Continue On Back

**ZOOM**

1. Turn the flashlight on.
2. Hold both ends of the flashlight and gently pull each end away from the other.
3. Pull the two ends away from each other to zoom in and push the two ends together to zoom out.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Warning:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the Instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**LIMITATION OF LIABILITY**

Liability limited to the purchase price of this product. shall not be liable for any incidental or consequential damages or any implied warranty on this product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
