Wi-Fi  
Thermostat

An easy, smart home upgrade you can do yourself.  
Use the app to control your thermostat. Anytime. Anywhere.

ST55  
Actual size is 5.875" x 3.75" x 1.0"

  
**EMERSON™**

# Smart comfort, made easy.

The Sensi™ Wi-Fi® Thermostat was designed to install in fifteen minutes or less. With a swipe and a tap, the intuitive mobile app walks you through each step from start to finish – how easy is that?

## CONNECT TO COMFORT.

Learn more at [sensicomfort.com](http://sensicomfort.com).

1.888.605.7131

[support@sensicomfort.com](mailto:support@sensicomfort.com)

The app changes color to let you know at a glance whether your system is heating or cooling

## Extensive Compatibility<sup>1</sup>

Sensi works with over 95% of home HVAC equipment<sup>2</sup> and doesn't require a common wire (c-wire) in most cases. [sensicomfort.com/compatibility](http://sensicomfort.com/compatibility).

## Energy Saving Features

With features like flexible scheduling and remote access, you can save money without compromising your comfort.

## Easy to Install and Use

Follow the step-by-step instructions in the app and skip any extra work painting or patching thanks to the traditional thermostat design.

## Control from Anywhere

Use the intuitive mobile app to set, change and program your home comfort—from across the room or across the country.

## Smart Alerts

Even when you are not at home, Sensi detects extreme temperatures and humidity levels and lets you know if your system isn't working properly.

## Flexible Scheduling

We know your routine can change from day to day, so we let you create and customize your 7-day thermostat schedule to fit your lifestyle.

## FEATURES

- Remote Thermostat Control
- Flexible Scheduling
- Smart Alerts
- Multi-Thermostat Control
- Large Backlit Display
- Auto Changeover
- Fan Control
- Low Profile Design
- Indoor Humidity Sensor
- Built-In Level for Mounting
- Local Weather
- Keypad Lockout
- Secure Network
- Backup Power Source
- Early Start
- AC Protection

## <sup>1</sup>COMPATIBILITY

Works with most home HVAC systems, including:

- Conventional 2H/2C
- Heat Only<sup>3</sup> and Cool Only<sup>3</sup>
- Heat Pump (With or Without Aux<sup>3</sup>) 4H/2C
- Geothermal, Gas, Oil, Electric and Dual Fuel

**Does not work with electric baseboard heat and some other systems.**

<sup>2</sup>2013 American Housing Survey by United States Census Bureau

<sup>3</sup>A common wire (c-wire) is required for Apple HomeKit, heat only systems, cool only systems and heat pump without auxiliary heat

## MOBILE APP

Free mobile app is required for install.

## SMART HOME

Integrates directly with Amazon Alexa, Wink and Apple HomeKit<sup>3</sup> smart home platforms.

Use of the Works with Apple HomeKit logo means that an electronic accessory has been designed to connect specifically to iPod touch, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Apple, the Apple logo, iPad, iPad Air, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. HomeKit is a trademark of Apple Inc. To control this HomeKit-enabled accessory automatically and away from home, an Apple TV with tvOS 10.0 or later or an iPad with iOS 10.0 or later and an iPhone or iPad with 10.0 or later is recommended. App Store is a service mark of Apple Inc., registered in the U.S. and other countries.
