- Charging Voltage: DC 5V
- Charge Time: approx. 3 hours
- Playing Time: approx. 6 hours
- Operating Distance: 10 Meters
- Compatible: for tablet pc/laptop/computer/smartphone and other Bluetooth devices
**Bluetooth Pairing**

Please make sure your cell phone (or media playing device) is Bluetooth-enabled. Specific pairing steps may vary with different devices. Please refer to the user manual of your device for further information.

1. To pair, firstly, turn on the speaker in Bluetooth mode.
2. Activate the Bluetooth function in your media playing device such as smartphone, tablet or other Bluetooth device.
3. Choose the speaker from the list of Bluetooth devices discovered and pair with the speaker.

**Operation instruction**

1. **Volume/Next song/Previous song button**: Press once to play next/previous song. Press and hold to increase/decrease volume.
2. **Play/Pause/Phone button**: Press once to play or pause music. Press to answer and hang up a phone call. Press and hold to reject a phone call when a call is coming in.
3. **Bluetooth/TF button**: Press this button to switch between Bluetooth mode - TF Card mode - Line in mode - Radio mode. Press and hold to cut off the Bluetooth connection with a device or also if you wish to pair the speaker with a different device.
4. The built in microphone supports wireless hands free calling. Press the phone button to receive and hang up calls.
5. When in Micro SD card mode use the previous and next button to switch songs.
6. FM Radio configuration:
   - Put one end of the AUX line in cable into the AUX slot. This acts as an enhancer for the antenna
   - Press the button with Bluetooth/TF to switch to Radio mode
   - Press and hold for about 5 seconds the Pause/Play button and the speaker will automatically search for FM radio channels. The speaker saves these channels.
   - Once searched you can then press the Next or Previous button to change the channels

**Charging the Speaker**

1. Connect the plug to the charging port of the speaker.
2. Connect the standard USB plug end of the cable to a power USB port on a computer or other USB charging device. For first time use, a full charge is recommended.
**Troubleshooting**

<table>
<thead>
<tr>
<th>Symptoms</th>
<th>Speaker can't be powered on</th>
<th>Not able to pair w/ the speaker</th>
<th>Volume too low</th>
</tr>
</thead>
<tbody>
<tr>
