## FAIR TO ALL WARRANTY STATEMENT

**ESTWING'S WARRANTY IS NOT A LIFETIME WARRANTY, HOWEVER, ESTWING FULLY WARRANTS ITS ALL- STEEL HAMMERS AGAINST FAILURE IN NORMAL USE, BUT DOES NOT WARRANT ITS TOOLS AGAINST MISUSE, ABUSE, OR WEARING OUT.**

For over 90 years, millions of satisfied customers have proven that Estwing tools provide greater value and satisfaction than other similar tools.

If you feel you have a fair claim contact your Estwing retailer. If you cannot reach your Estwing retailer, please call Estwing customer service at 815-397-9558.

We cannot repair, re-grip or refurbish any used striking or struck tool, in accordance with the American National Safety Requirements for Nail Hammers, ANSI/HTI, b173.1-190. These standards are written with you, the consumer, in mind and we are committed to abide by these safety requirements.

### **Reasons for rejections of claims:**

- **Wear and tear as a result of faithful use**
  - Milled face worn down
  - Leather grip disintegrating due to age and or left in elements
- **Damage resulting from unauthorized repairs, alterations or tampering**
  - Filing of nicks in claws
  - Engraving or welding, changing tool in any way
- **Breakage from abuse or misuse**
  - Rust, disintegrating leather grip due to leaving tool in elements
  - Over-striking causing dents in handle neck
  - Striking other hardened objects such as other tools, hardened nails, drills or chisels, etc.
  - Pulling (attempting to withdraw) hardened nails, screws, or nail sets.
  - Damage resulting from accidents
  - Using side of the hammer for striking

**Remember:** Nail hammers are made to drive and withdraw common unhardened nails only. Any other use is considered misuse and can cause eye or bodily injury.

**Remember:** Always wear safety goggles when using striking or struck tools. Bystanders shall also wear safety goggles.

**Remember: ALWAYS DISCARD TOOL IF ANY OF THE FOLLOWING OCCUR**

Chips or dents  
on face

Mushroom face

Crack in  
claw section

Dents in  
hammer handle
