

### **What The Shrinks Standard Warranty Covers**

Two-year warranty on any defective product purchased through Authorized Shrinks Retailers, online and in-store. Receipt or proof of purchase is required. Must be original owner.

### *The Shrinks Extended Warranty*

If you discover a defect on your Shrinks product after the two-year period, you may replace it with the same product, or equivalent, at 50% off our retail price as shown on our website. This offer is valid FOR AS LONG AS YOU OWN THE PRODUCT. Receipt or proof of purchase is required. Must be original owner.

If you would like to exchange a product, please fill out our Product Exchange form [here](#), and a member of The Shrinks family will contact you shortly.

### **What The Shrinks Warranty Does Not Cover**

The warranty does not cover damages caused by improper care, accidents, normal wear and tear, or the natural breakdown of materials (i.e., zipper wear, Velcro wear, etc.). It also does not cover products that are re-sold, given away, or in any other case where you are not the first and original owner.

Products that are not purchased from an authorized retailer are not covered under our warranty, and may be counterfeit, used, defective or not designed for use in your country. If you choose to purchase from a non-authorized retailer, you purchase at your risk and these products are not valid for warranty or support. We strongly recommend purchasing genuine Shrinks products only through Authorized Shrinks Retailers. A list of our retailers for North America can be found [here](#).

While Amazon is an Authorized Shrinks Retailer, many "Marketplace" sellers are not and have been known to trade in counterfeit and used products. Please confirm that Amazon or another authorized retailer is the seller of record.

**Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.**
