

3 YEAR WARRANTY

ECONO-HEAT warrants that your ECONO-HEAT wall panel heater is free from manufacturing defects, subject to the following conditions:

- Such warranty shall be to repair or replace the goods in the event of any manufacturing defect (which shall exclude wear and tear) notified to ECONO-HEAT within 3 (three) years of the original purchase or, in the case of installation by an approved ECONO-HEAT installer, first installation of the goods ("the Warranty Period");
- Any liability on ECONO-HEAT hereunder shall be conditional on the goods having been stored and installed properly (in accordance with ECONO-HEAT's installation instructions) and, from the date of delivery:
 - Having been used and maintained in accordance with ECONO-HEAT's instructions and/ or labelling on the goods;
 - No repairs, alterations thereon having been carried out by the Buyer or any third party.
- The warranty is in substitution for and excludes all expressed or implied (whether by law or otherwise) conditions, warranties or obligations of any kind relating to fitness for purpose or quality of workmanship, material or design, save to the extent that any law prevents such exclusion. ECONO-HEAT accepts no liability for any workmanship of any approved installer (as contemplated above), the approved installers being independent contractors.

LIMITATION OF LIABILITY

- Save as expressly provided for in these Conditions of Sale, ECONO-HEAT shall not be liable to the Buyer (or their employees, servants or agents, contractors, or successor purchasers) for any direct, indirect, incidental or consequential damages of any nature howsoever caused (whether based in law or contract or otherwise) pursuant to or arising in respect of the installation and/or use of goods.
- The Buyer (and any successor purchasers) hereby indemnifies ECONO-HEAT (its members, employees and agents) against all actions, proceedings and claims whatsoever brought against it (its members, employees or agents) by any third party pursuant to, or arising in respect of the installation and/or use of the goods.

CODE & SAFETY COMPLIANCE

- ECONO-HEAT wall panel heaters comply with all known electrical and building code requirements for installation in the USA and Canada. This product is UL & CSA safety listed (Control #3LGF; File # E311732) and conforms with the directives and standards of UL 2021 (Air heaters, Romm, Fixed and Location Dedicated). The equipment is also CE safety listed and complies with the directives and standards of LVD 73/23/EEC and EMC 89/36/EEC.
