Your documents in black and in color will look exceptionally sharp and vibrant – and they'll remain that way for decades to come without fading.¹ It's another reason to make sure you use the ink that works best with HP printers: Original HP ink.

You can always count on HP for an outstanding printing experience and for excellence that's easy to achieve. HP helps protect the environment with free cartridge recycling. And ink alerts and HP SureSupply make it easy to never run out of ink.^{2,3}

Advanced, user-friendly features make printing easy and convenient. You can easily monitor your ink levels and even finish printing when low on one ink color. And the value is exceptional. For even better value, use HP high-capacity cartridges.⁴
