Loves to Play in the water

Fugoo GO is 100% waterproof to 3 feet for 30 minutes. So strap it to a kayak, play it next to the pool and take your tunes to the beach. If your speaker gets sandy or dirty, just rinse it off with a hose.

Outdoor Loud, Indoor Style

The Fugoo Style-S Waterproof Bluetooth Speaker has two full range drivers and two bass radiators. to help bring out a full, deep bass. Delivering a clean, outdoor loudness, so you can bring your music wherever the action takes you!

Go anyw

Life is ma outdoors a Built light backpacks wherever.

So Much More...

Our optional Mount Pack includes our top mounts in one value package to securely bring your speaker wherever life takes you. Bike Mount for bikes, strollers, golf carts or boat rails. Strap Mount will help you wrap around paddle boards, kayaks, sport court poles. The Multi-Mount gives you a clip for attaching to a belt or strap, a ring to secure it and a 1/4-20 socket to utilize this flexible camera standard.
