

This Is A Manual.

Keep It Glassy Food Storage Containers

Manual

Premium Quality, BPA free, Airtight Borosilicate Glass Containers.

1. Plastic lids are BPA FREE.
2. Can be used in a refrigerator or freezer.
3. Microwave safe without the lids
4. Dishwasher Safe. Plastic lids must be on top rack. Avoid abrasive cleaners and scrub pads when hand washing.
5. Leak Proof. Not intended to be used upside down or submerged underwater.
6. Lids must be removed before use in OVEN.
7. Please ensure that all four tabs are snapped closed before moving the glass container. If you are having trouble closing the lid, make sure the silicone seal is pushed all the way into the plastic groove.
8. When cleaning the removable silicone seal located in the plastic lid, make sure that the seal is pushed all the way into the plastic groove. If seal is not placed correctly, you may have trouble closing the lid or a proper seal will not be achieved, causing the container to leak.

Warnings

Do NOT overheat glass in the microwave.

Do NOT heat empty glass.

Do NOT put plastic lids in oven OR microwave.

Do NOT tightly cover containers in the microwave.

Do NOT move directly from freezer to microwave/oven without defrosting.

Do NOT use on or under flame or other direct heat sources, including a stove top, broiler, grill, or toaster oven.

Do NOT use or repair damaged glassware.

Do NOT use or repair any glassware that is broken, chipped, cracked or severely scratched.

Failure to follow the above warnings may result in personal injury OR may cause your glassware to break or shatter.

Warranty Info

Vremi offers a 12-month warranty on all of our products purchased new and unused from Vremi LLC or an authorized reseller, with an original proof of purchase and where a defect has arisen, wholly or substantially, as a result of faulty manufacturing, parts or workmanship during the Warranty Period. The warranty does not apply where damage is caused by other factors, including without limitation: (a) normal wear and tear; (b) abuse, mishandling, accident or failure to follow operating instructions; (c) exposure to liquid or infiltration of foreign particles; (d) servicing or modification of the product other than by Vremi. These are our general terms for the warranty service, but we always urge our customers to reach out to us with any issue, regardless of warranty terms. If you experience an issue with a Vremi product, please contact us at support@vremi.com, and we will do our best to resolve it for you.
