

Microcomputer Controlled/Fuzzy Logic Rice Cookers

Attractive Stainless Steel Finish

Beautifully complements any kitchen décor.

Domed Lid Design

Helps prevent accumulated water droplets from re-entering the rice.

Easy-to-Read Display

A quick glance tells you the cooking status.

Advanced Fuzzy Logic Technology

Adjusts power & cooking time automatically for precise and consistent results every time.

Dimpled Pan

For better cooking performance and improved taste (SR-MS182 only).

SR-MS182

Moisture Cap

Helps prevent boil over and maintains moisture after cooking for fluffier rice.

Pushbutton Lid Release

No need to manually lift the lid when your hands are busy with other things.

Keep Warm Feature

When cooking is complete, the unit automatically switches to Warm Mode and rice is maintained at the perfect temperature.

Preset Timer

Timer function lets you control cooking start time so fresh-cooked rice is ready when you are.
