

Retrofit Downlight Series 5/6" - D609W-3K750-B90

Bioluz LED 12W Dimmable D609W-3K750-B90 Retrofit LED Recessed Lighting Fixture 5/6" 3000K Soft white LED Ceiling Light, 75W Equivalent

- 3000K beautiful white light - not yellow or bluish - halogen match
- 75 watt equivalent using only 12 watts
- 750 lumen, dimmable with 90 degree beam
- Fits 5" or 6" canned or recessed fixtures, decorative bevel trim ring
- Instant-On at full brightness

Bioluz LED 4" & 6 inch downlights are a high-efficiency, one-piece solution for contractors and homeowners. Ideal for commercial and residential environments, these attractive, retrofit LED fixtures are available for both 4" and 6" recessed housings. Bioluz LED 6" dimmable downlights are easy to install, the single piece design replaces both the traditional recessed housing trim and the bulb.
