Massage w/Rain  
Shower Spray

New Water conserving elegant showerhead

- On/Off switch
- 5 settings
- Lightweight
- Rubber spray tips allow easy cleaning
- Quality guaranteed

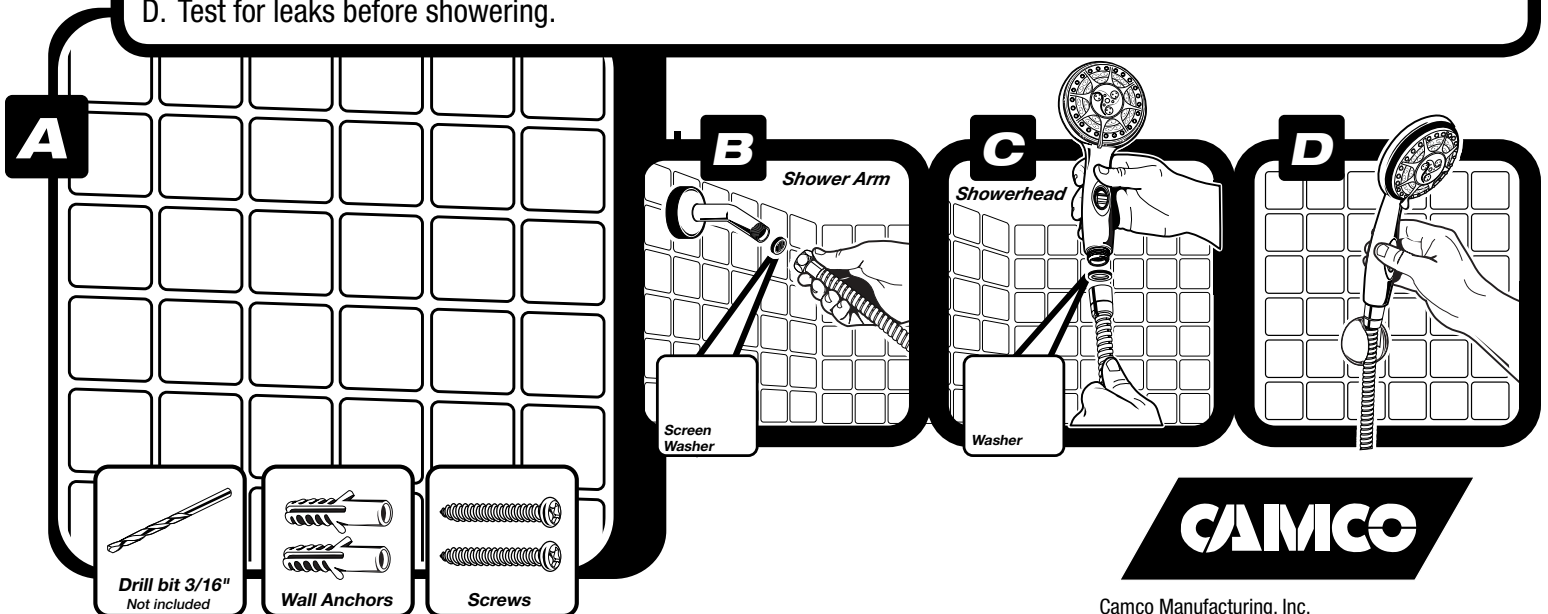

Enjoy longer showers with this ergonomically designed, handheld showerhead. Convenient on/off switch allows you to pause the flow of water while shampooing, greatly reducing the amount of water used. No more rushing through your shower to conserve water.

Multi-featured showerhead allows you to a choice of four spray patterns. From a drenching rain to a gentle massage, you can personalize your shower with your favorite comfort settings. Heavy-duty construction for years of use.

Bring all the comforts of home with you.

## Easy to install...

- Remove existing showerhead and hose. Clean threads on shower arm. Position shower wall mount in desired location. Mark and drill holes using a 3/16" bit (not included). Tap wall anchors into wall. Install wall mount with the 2 screws.
- Attach nut end of flex hose to shower arm with screen washer between hose and shower arm with screen washer between hose and shower arm. Tighten securely.
- Attach showerhead to smooth end of the flex hose with washer between hose and showerhead. Hand tighten.
- Test for leaks before showering.
