

# Warranty Terms and Conditions

## Standard Two Year Limited Warranty

Azden Corporation warrants, to the first purchaser, that the Azden brand product purchased is free from defects in material and workmanship. Azden's sole obligation under this warranty shall be to provide, without charge, repair or replacement (at Azden's sole discretion), within two years from the date of purchase. The cost to ship a failed product to and from Azden or to its dealer shall not be covered by this warranty. To receive service under this warranty, online registration is required. Please register the product at [azden.com/warranty](http://azden.com/warranty) with a dated receipt within 90 days of purchase.

This warranty is the sole and exclusive express warranty given with respect to the product and all other warranties, expressed or implied, are hereby excluded. Neither Azden, nor the dealer who sells this product, is responsible for indirect, incidental or consequential damages.

This warranty does not extend to any defect, malfunction or failure caused by misuse, abuse, accident, Act of God, faulty hookup, unauthorized modification, connecting this product to equipment for which this product is not intended or defective associated equipment. Please read your owner's manual carefully.

## Limited Warranty Extension

Some of Azden's products qualify for an extended warranty, in which the terms of the standard two year limited warranty will apply for an extended period of time. The specific length of this extended warranty period may vary for each qualifying product and is expressly stated on Azden's official websites, advertisements, product documents and/or packaging..

## Regarding Warranty Repairs And Replacements

Any repair or replacement of an Azden product pursuant to this warranty does not extend the warranty, and the original term of the warranty will remain. However, all repairs or replacements issued by Azden under this warranty are guaranteed for 30 days after customer receipt.

## Product Registration

In order to obtain warranty service, please register your Azden product on [warranty.azden.com](http://warranty.azden.com). Registration also helps to establish a record of your purchase and provides you with an easy way to submitting a service request.
