

# FEATURES

## **In-Plane Switching (IPS) Panel for Wide Viewing Angles**

IPS panel gives 178/178 degree viewing angle while maintaining consistent image quality and colors from all viewing positions. IPS panel has true 8-bit color depth that results in incredible color accuracy. The screen itself has a matte anti-glare coating that won't leave fingerprints or smudges. IPS is perfect for graphic designing, video editing, photo retouching, amongst others. You can also view your spreadsheets or weekend movies from virtually any angle without compromising color uniformity.

## **IPS Panel**

### **Full HD Resolution and Mega Dynamic Contrast Ratio**

The I2269VW features Full HD 1920 x 1080 resolution that allows for high-definition image quality in terms of clarity and vivid colors. When you have Full HD resolution with mega dynamic contrast ratio, the result is crisp detailed images with incredible contrast, giving you bright vivid colors that comes to life every time.

### **Full HD**

### **Multimedia Connectivity and Features**

The I2269VW features VGA and DVI-D with HDCP connections. A DVI-D connection gives you high-definition video and audio, perfect for watching those videos or highly-detailed images at home. The monitor comes with AOC's e-Saver, Screen+ and i-Menu software for both eco-friendly and user-friendly configuration and navigation.

### **Eco-Friendly and Low-Power Consumption**

This AOC monitor is both EPEAT Gold and Energy Star certified for low-power consumption, which means the LED monitor is both power efficient and eco-friendly. The I2269VW uses only 27 watts when on and less than 0.5 watts on standby.

## **SPECIFICATION**

	PANEL
<b>Viewable Screen Size</b>	21.5
<b>Panel Type</b>	IPS Panel
