Back view

S Pen

The S Pen™ enables fast, accurate, and precise input while providing a natural writing experience.

Remove the S Pen to launch Air command, for quick access to handy tools.

To remove the S Pen:

- ◆ Push the S Pen inward, and then pull it out to remove it from the device.

Use the S Pen

Express yourself! Write and draw directly into emails or the calendar, as well as Word®, Excel®, PowerPoint®, and PDF documents. Capture your ideas in S Note and even write a note on the back of a picture.

- **Create note:** Quickly create short notes.
- **View all notes:** View all notes created.
- **Smart select:** Outline, crop, edit and share a screen with others.
- **Screen write:** Capture a screen, and write or draw on it.
- **Live message:** Create live messages, and GIFs.
- **Translate:** Translate and hear pronunciations.
- **Bixby Vision:** Shop and discover images, products, and places.
- **Add shortcuts:** Select an app to add to the Air command menu.

Device setup

Insert a SIM and microSD card

If you need to replace your SIM card or insert a microSD™ card, follow these steps.

1. Hold the device securely.
2. Use the SIM removal tool that came with your device to open the SIM/microSD card tray.
 - With the carrier logo facing up, place the SIM card into the tray.
 - With the gold contacts facing down, place the optional microSD card into the tray.*
3. Gently push the tray into the slot.

Note: *microSD card sold separately.

Charge the device

Before turning on your phone, charge it fully.

Your device comes with an Adaptive Fast Charging charger and a USB cable. Plug the smaller end of the cable into the USB/charger port on your device and the larger end into the charger. Then plug the charger into an electrical outlet to charge the device.

Note: Use only charging devices that are approved by Samsung. Samsung accessories are designed for your device to maximize battery life. Using other accessories may void your warranty and may cause damage.

Turn the device on and off

- To turn on, press and hold the **Power/Lock** key.
- To turn off, press and hold **Power/Lock** key and follow the prompts.

Lock and unlock the screen

Use your device's screen lock features to secure your device.

- To lock, press the **Power/Lock** key.
- To unlock, press the **Power/Lock** key, and then swipe your finger across the screen.

Configure your device

When you first turn on your device, you need to set up a few things.

1. Select a language and tap **START** or **ACCESSIBILITY**.
2. Follow the prompts to complete the setup process.

Samsung Smart Switch

Easily transfer your photos, videos, music, apps and more with Samsung Smart Switch™.

Use the USB connector that came with your new device to transfer content.

Select Smart Switch during setup, or open it later from the Home screen by swiping up for **Apps** and tapping  **Settings** →  **Cloud and accounts** → **Smart Switch**.

Note: For more information and a list of compatible devices visit samsung.com/smartswitch.

Home screen

The Home screen is the starting point for using your device.

- Swipe up or down to open the Apps panel.
- Swipe the Home screen left for additional panels.
- Swipe the Edge handle to access Edge panels.
- Swipe right to open Bixby.

Customize your device

- ◆ Touch and hold a blank space on a home screen to access options.

- **Wallpapers and themes:** Change the look of the Home and Lock screens with a variety of wallpapers, icons, and themes. You can also customize icons and the Always on Display screen.
- **Widgets:** Drag a widget to an empty space on the Home screen for quick access to applications.
- **Home screen settings:** Customize the look of the Home screen.

Always on

With Always On, time, date, and notifications are always displayed in standby mode, without unlocking your device.

Enable always on

- ◆ From the Home screen, swipe up for **Apps** and tap  **Settings** →  **Lock screen and security** → **Always On Display**.

Volume and ringtones

- ◆ From the Home screen, swipe up for **Apps** and tap  **Settings** →  **Sounds and vibration**.
 - Tap **Volume** to increase or decrease device volume settings.
 - Tap **Ringtone** to select a ringtone.

Hello Bixby

To launch **Hello Bixby**, press the **Bixby** key.

Hello Bixby allows you to quickly set reminders, create voice dictation, search and access content on your phone and on the Internet.

Note: For more information about Bixby, visit samsung.com/us/support/owners/app/Bixby.
