Description	Size	Quantity	Item
Hinges for roofs	7.6 cm	2	55968-60

Made in China.

Fix the front and back parts (1/3) of the left sleeping house to the side walls (5/6).

1.

Insert the perch (12) and the drawer (10).

2.

Afterwards fix the roof plates (8) and the ridge (9) to the sleeping house.

3.

Screw the front and back parts of the nesting box (13/14) to the side wall (15) and the bottom plate (17) of the nesting box. Insert the divider (18).

4.

Fix the roof plate (16) to the nesting box.

5.

Now attach the left check strap (H) to the roof plate and the side wall.

6.

Repeat the same steps for the right sleeping house. First fix the front and back parts (2/4) to the side walls (5/7).

7.

Insert the perch (12) and the drawer (10).

8.

Afterwards fix the roof plates (8) and the ridge (9) to the right sleeping house.

9.

Screw the front and back parts of the nesting box (13/14) to the side wall (15) and the bottom plate (17) of the nesting box. Insert the divider (18).

10.

Fix the roof plate (16) to the nesting box.

11.

Now attach the right check strap (H) to the roof plate and the side wall.

12.

Start mounting the left enclosure. First screw the front part (19) to the divider (23) and the back wall (21). Fix the support for the ramp (26) to the back wall as shown in this picture.

13.

Screw the left enclosure to the left sleeping house.

14.

Insert the ramp (11) and fix it to the house.

15.

First of all, when starting with the mounting of the right enclosure, fix the support for the ramp (26) to the back wall of the enclosure (22).

16.

Then screw the front part (20) and the back wall (22) to the right sleeping house

17.

Insert the ramp (11) and fix it to the house.

18.

Now screw both parts of the chicken coop together.

19.

At last fix the roof parts (24/25) to the enclosure.

20.
