

ATTENTION! Read Carefully Before Using This Product!

Wondersleep uses premium fabric to ensure your pillow stays cool and breathable through the night. Featuring adjustable filling that allows you to personalize your sleeping comfort and also, memory foam technology that provides extra support for a better night's sleep.

First Time Use Instructions

1. Remove pillow from plastic wrap.
2. Leave pillow to sit for 20-30 mins. The pillow will slowly rise and firm up.
3. You may now fluff and distribute the filling to your liking.

OPTIONAL STEP: To reach full firmness, tumble dry pillow in low heat.

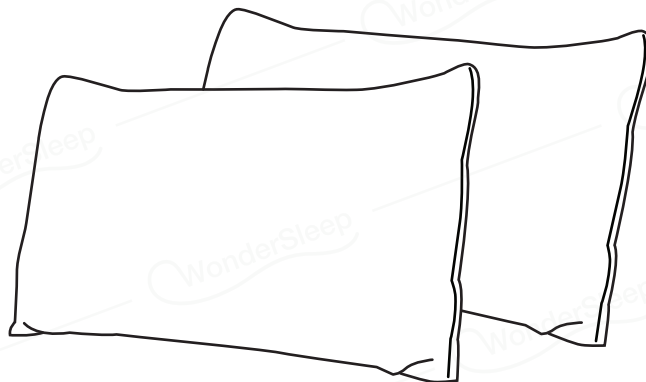

How to Adjust Firmness

- * To decrease the firmness of pillow, remove foam filling and adjust to your sleeping comfort.
- * Store excess filling in a cool, dry place.
- * To increase firmness of pillow, add additional foam filling OR fluff pillow and redistribute the filling.

Care Instructions

- * Separate outer cover from inner pillow before washing both items.
- * Secure the zipper closed with a safety pin to ensure nothing spills out during wash.
- * To wash outer cover and inner pillow:
 - Machine wash cold
 - Do not bleach
 - Do not use fabric softener
 - Tumble dry in low heat or air dry in the sun
- * Ensure your pillow and foam filling is completely dry before use.

MAINTENANCE: To maintain firmness of pillow, tumble dry in low heat once every 6 months.
