Key Features

LED

With sharper contrasts of light and darks, LED display delivers a vast array of rich colors, ensuring that moving images have never been so pleasing to the eyes. LED Display offers a lifelike picture, complete with bright colors and crisp images.

HDMI (Monitor)

HDMI delivers superior high-definition to the monitor screen.

Response Time

With a 5 millisecond response time, all activity on your LED screen will seamlessly transition almost instantly.

Kensington Lock

The Kensington Lock securely fastens your monitor in place, effectively preventing damage or theft.

VESA Wall Mount Pattern

Using the VESA wall mount pattern, easily mount your Sceptre LED monitor on the wall in a manner that is both aesthetically pleasing and conveniently practical. You will be able to save ample space and view the screen in a position that affords the greatest visibility possible.

Tilt

With the ability to tilt 15 degrees backward and 5 degrees forward, the added tilt feature will provide multiple options for finding the optimum angle to view the screen so that work and browsing can be performed with ease.

Key Features

Built-in Speaker

With built-in speakers, the monitor delivers office level audio for conference calls and internet workshops. Similarly, enjoy engaging audio while listening to your favorite tunes.

VGA

With the ability to connect your computer, laptop, monitor, or TV to all your favorite variety of input options, VGA inputs deliver superb analog video.

Windows 8 Compatibility

Sceptre monitors are fully compatible with Windows 8, the most recent operating system available on PCs. Windows 8 provides the added convenience of being compatible with earlier versions, such as Windows 7 and XP.

DVI

Providing the capability for analog and digital content, DVI inputs allow you to connect your favorite devices to the monitor to achieve stellar picture quality and performance.

Customer Service

Our customer service representatives are, and have always been, based in the USA, guaranteeing that our customers' needs are met as efficiently as possible.

30 years of Experience

For over 30 years, Sceptre Inc. has maintained its winning formula of designing and delivering quality products for affordable prices in the USA. Founded in City of Industry, California, our mission ensures that our products continually evolve to better suit your needs.
