

Xerox® DocuMate® 4700

Flexible Scanning Solution for Large Documents

- Scan large documents on the 11.7" x 17" (A3) flatbed
- One Touch scanning to any of 9 destinations at the touch of a button
- Internal USB hub for direct connect to an ADF scanner and the computer.
- Convert documents into searchable PDF files
- Automatic image enhancement tools without the need of user intervention

TOTAL FLEXIBILITY

When you need a flexible scanner configuration, Xerox delivers. The DocuMate® 4700 is an excellent flatbed scanner when directly connected to your PC. It can be used as a standalone flatbed scanner, and act as a flatbed option for any Xerox DocuMate DriverPLUS ADF scanner. Its USB hub changes the scanner to a combined configuration of distinct ADF and flatbed scanners that are addressable as one single scanner. So, if your needs suddenly change from the ADF-only scanner you have today, you can add a flatbed scanner and improve the investment you've already made in an ADF scanner. The ability to configure your DocuMate 4700 with an ADF scanner in series brings total flexibility to the entire DocuMate scanner product line.

The DocuMate 4700's powerful software, robust functionality and superior hardware

specification delivers quality in every scan. Flatbed scanning offers the option to scan a wide variety of documents, such as books, magazines, plastic cards and fragile paper. Now there is no need to install multiple flatbed scanners across a network if the majority of users do not require this function on a frequent basis. You now have a new option to simply add flatbed capability to your existing set-up, saving time and money. The generous flatbed size enables you to scan large documents (up to 11.7" x 17"), even if the connected ADF scanner is only A4 (8.5" x 11", US Letter) size.

POWERFUL TECHNOLOGY

The DocuMate 4700 can scan documents to 9 preset, yet completely configurable, destinations using Visioneer® OneTouch® technology. This enables your documents to be scanned with the correct settings for resolution,

color, cropping, file format and then delivered to virtually any application, folder or device – all at the touch of a button. OneTouch technology is not only a great productivity gain, but it greatly reduces amount of time it takes to learn how to operate the scanner and increases your return on investment.

Ideal for management of old or delicate documents, the DocuMate 4700 includes software tools to edit, crop and retouch scanned images and organize the files into folders. With the touch of a button, users are able to scan and automatically upload their documents to popular cloud destinations such as Google Docs™, Evernote®, DropBox, Box.net and others.

Xerox® DocuMate® 4700 Software Solutions

VISIONEER® ONETOUCH

OneTouch connects your scanner with preset scan workflows. With one touch of a button, the scanned document is automatically sent to common or customized destinations and applications.

VISIONEER ACUITY

Visioneer Acuity enables your scanner to instantly improve the visual clarity of scans. Advanced algorithms correct document imperfections and upgrade the quality of scanned images for archiving and OCR.

VISIONEER® CAPTURE SE (PC)

Scan, edit, and release document batches to PC, network and cloud services like Google Drive. Flexible interface with automatic batch separation and advanced indexing with Zonal OCR and barcode support.

VISIONEER TWAIN DRIVERPLUS

DriverPLUS offers an impressive array of settings to enable precise customization of the scan processing via a simple interface with tool tips. DriverPLUS includes Visioneer's proprietary Parallel Scanning capability.

ABBYY® FINEREADER SPRINT

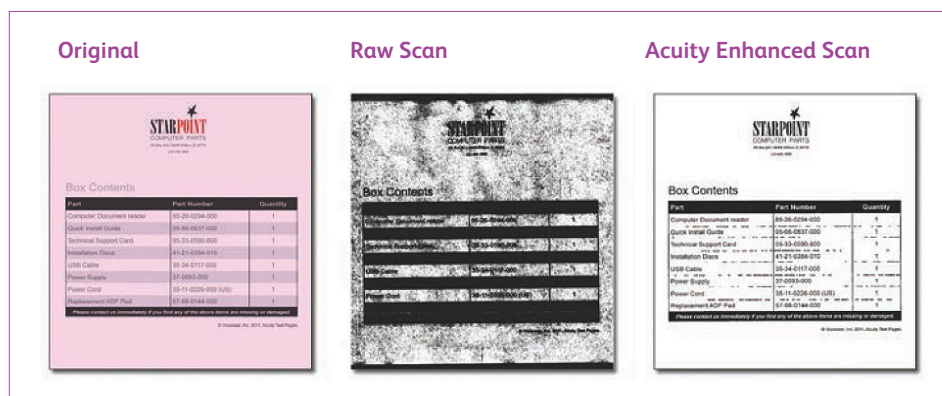

This easy-to-use OCR tool reduces the need of retyping and paper storage, precisely preserves the original document's layout and formatting and instantly converts your scans into various file formats, including searchable PDF.

Minimum System Requirements

- Pentium® IV or equivalent processor
- Compatible with:
 - Windows 10 Pro, Home, Enterprise and Education
 - Windows 7 Pro, Home, Enterprise and Ultimate
 - Windows 8/8.1 Pro, Core and Enterprise
- 2GB RAM
- 500 MB available hard drive space
- DVD-ROM drive
- USB 2.0 port

Contents

- DocuMate 4700 Scanner
- Power Supply
- USB 2.0 Cable
- Quick Install Card
- Technical Support Card
- User's Manual
- DVD-ROM including:
 - User's Manual
 - Visioneer OneTouch
 - Visioneer Acuity
 - Visioneer Capture SE
 - Scanner Drivers: TWAIN™, ISIS®, WIA, Visioneer DriverPLUS

Xerox® DocuMate® 4700 Product Specifications	
Model Number	XDM47005M-WU
Scan Speed: B&W, Grayscale or Color	2.5 sec/page @ 200 or 300 dpi
Scan Method	Flatbed
Light Source	LED (Light Emitting Diode), instant on
Sensor	CIS (Contact Image Sensor)
